

## Air Industries Group To Preliminary Report Q4 and FY 2023 Results on April 1, 2024 and Schedules Earnings Conference Call

March 27, 2024

BAY SHORE, N.Y.--(BUSINESS WIRE)--Mar. 27, 2024-- Air Industries Group (NYSE American: AIRI), a leading manufacturer of precision components and assemblies for large aerospace and defense prime contractors, today announced that it plans to release its preliminary Q4 fiscal and full-year 2023 results after the market closes on Monday, April 1, 2024.

## **Conference Call Information**

At 4:30 ET that day, the Company will also host a conference call to discuss its results and 2024 Business Outlook. Individuals can access the call by dialing 877-524-8416. An audio replay of the call will be available on the Company's investor relations website shortly thereafter.

## **ABOUT AIR INDUSTRIES GROUP**

Air Industries Group is a leading manufacturer of precision components and assemblies for large aerospace and defense prime contractors. Its products include landing gears, flight controls, engine mounts and components for aircraft jet engines, ground turbines and other complex machines. Whether it is a small individual component or complete assembly, its high quality and extremely reliable products are used in mission critical operations that are essential for the safety of military personnel and civilians.

## FORWARD LOOKING STATEMENTS

Certain matters discussed in this press release are 'forward-looking statements' intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. In particular, the Company's statements regarding trends in the marketplace, future revenues, earnings and Adjusted EBITDA, the ability to realize firm backlog and projected backlog, cost cutting measures, potential future results and acquisitions, are examples of such forward-looking statements. The forward-looking statements are subject to numerous risks and uncertainties, including, but not limited to, the timing of projects due to variability in size, scope and duration, the inherent discrepancy in actual results from estimates, projections and forecasts made by management, regulatory delays, changes in government funding and budgets, and other factors, including general economic conditions, not within the Company's control. The factors discussed herein and expressed from time to time in the Company's filings with the Securities and Exchange Commission could cause actual results and developments to be materially different from those expressed in or implied by such statements. The forward-looking statements are made only as of the date of this press release and the Company undertakes no obligation to publicly update such forward-looking statements to reflect subsequent events or circumstances.
