PROXY STATEMENT

General Information

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Air Industries Group, a Nevada corporation (the “Company,” “we,” “our” or “us”), of proxies to be voted at our 2017 Annual Meeting of Stockholders (the “Annual Meeting” or the “Meeting”) and at any adjournment or postponement of the Meeting. The Annual Meeting will take place on Tuesday, October 3, 2017, beginning at 10:00 a.m., Eastern Time, at our offices, 360 Motor Parkway, Suite 100, Hauppauge, New York 11788.

This Proxy Statement, the Notice of Annual Meeting, our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, and accompanying proxy are being furnished to holders of our Series A Convertible Preferred Stock, par value \$0.001 per share (“Series A Preferred Stock”), and holders of our common stock, par value \$0.001 per share, on or about August 24, 2017. Web links and addresses contained in this Proxy Statement are provided for convenience only, and the content on the referenced websites does not constitute a part of this Proxy Statement.

Frequently Asked Questions About the Annual Meeting and Voting

1. Who is entitled to vote at the Annual Meeting?

Holders of our Series A Preferred Stock and holders of our common stock as of August 10, 2017 (the “Record Date”) are entitled to receive the Notice of Annual Meeting and to vote their shares at the Meeting. Holders of our Series A Preferred Stock and holders of our common stock on the Record Date will vote together as a single class on each of the proposals described in this Proxy Statement to be submitted for consideration at the Annual Meeting, with holders of Series A Preferred Stock entitled to the number of votes equal to the number of shares of common stock into which the shares of Series A Preferred Stock owned of record by such shareholder could have been converted on the Record Date (2.0325 times the number of shares of Series A Preferred Stock owned of record) and holders of common stock entitled to one vote for each share held of record on the Record Date. Only the votes cast by the holders of record of our common stock on the Record Date will be counted in determining whether Proposal Three has been approved in accordance with the applicable rules of the NYSE MKT. Further, the votes cast in respect of shares of common stock issued upon conversion of our subordinated convertible notes sold in a bridge financing in May 2017 (the “May 2018 Notes”) will not be counted in determining whether Proposal Three has been approved in accordance with the applicable rules of the NYSE MKT .

2. How many shares of Series A Preferred Stock and Common Stock are “outstanding”?

As of August 10, 2017, there were 1,294,441 shares of Series A Preferred Stock and 14,252,820 shares of common stock outstanding and entitled to be voted at the Annual Meeting. Holders of Series A Preferred Stock are entitled to a total of 2,630,951 votes, and holders of common stock are entitled to a total of 14,252,820 votes, on each of the proposals described in this Proxy Statement to be submitted for consideration at the Annual Meeting, except that in determining whether Proposal Three has been approved in accordance with the applicable rules of the NYSE MKT only the votes of the holders of our common stock (other than shares of common stock issued upon conversion of the May 2018 Notes) will be determinative, as discussed in Question 1 above and Question 11 below.

3. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., you are the “stockholder of record” of those shares. This Notice of Annual Meeting and Proxy Statement and any accompanying materials have been provided directly to you by Air Industries Group.

If your shares are held through a broker, bank or other holder of record, you hold your shares in “street name” and you are considered the “beneficial owner” of those shares. This Notice of Annual Meeting and Proxy Statement and any accompanying documents have been provided to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or on the Internet. Absent instructions from you, under applicable regulatory requirements, your broker may vote your shares on the ratification of the appointment of our independent registered public accounting firm for fiscal 2017, but may not vote your shares on the election of directors, the amendment to our articles of incorporation increasing the number of shares of common stock we are authorized to issue from 25,000,000 shares to 50,000,000 shares (the “Charter Amendment”), the approval of restructuring transactions related to our public offering in July 2017 (the “Restructuring Transactions”), the approval of our 2017 Equity Incentive Plan, or any of the other proposals to be voted on at the Annual Meeting.

4. Why did I receive a notice of internet availability of proxy materials instead of a full set of proxy materials?

In accordance with the rules of the U.S. Securities and Exchange Commission (“SEC”), we are permitted to furnish proxy materials, including this proxy statement and our annual report, to stockholders by providing access to these documents on the internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request so. Instead, the notice provides instructions on how to access and review the proxy materials on the internet. The notice also provides instructions on how to submit your proxy and voting instructions via the internet. If you would like to receive a printed copy or an electronic copy (via email) of our proxy materials, please follow the instructions for requesting the materials in the notice.

5. How do I vote?

You may vote using any of the following methods:

By mail

Complete, sign and date the accompanying proxy or voting instruction card and return it in the prepaid envelope. If you are a stockholder of record and return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by your proxy card as recommended by the Board of Directors.

By telephone or on the Internet

Air Industries Group has established telephone and Internet voting procedures for stockholders of record. These procedures are designed to authenticate your identity, to allow you to give your voting instructions and to confirm that those instructions have been properly recorded. Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day until 11:59 p.m., Eastern Time, on October 2, 2017.

The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. We therefore recommend that you follow the voting instructions in the materials you receive.

If you vote by telephone or on the Internet, you do not have to return your proxy or voting instruction card.

Telephone. You can vote by calling the toll-free telephone number on your proxy card. Please have your proxy card handy when you call. Easy-to-follow voice prompts will allow you to vote your shares and confirm that your instructions have been properly recorded.

Internet. The website for Internet voting is www.proxyvote.com. Please have your proxy card handy when you go to the website. As with telephone voting, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials.

In person at the Annual Meeting

Stockholders who attend the Annual Meeting may vote in person at the Meeting. You may also be represented by another person at the Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspector of election with your ballot to be able to vote at the Annual Meeting.

Your vote is important. Please complete your proxy card promptly to ensure that your vote is received timely.

6. What can I do if I change my mind after I vote?

If you are a stockholder of record, you can revoke your proxy before it is exercised by:

- giving written notice to the Corporate Secretary of the Company;
- delivering a valid, later-dated proxy, or a later-dated vote by telephone or on the Internet, in a timely manner; or
- voting by ballot at the Annual Meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your broker, bank or other holder of record. All shares for which proxies have been properly submitted and not revoked will be voted at the Annual Meeting.

7. How will your proxy vote your shares?

Your proxy will vote according to your instructions. If you vote by mail and complete, sign, and return the proxy card but do not indicate your vote, your proxy will vote “FOR” each of the director nominees, “FOR” approval of an amendment to our articles of incorporation increasing the number of shares of common stock we are authorized to issue from 25,000,000 shares to 50,000,000 shares (the “Charter Amendment”), “FOR” approval of the restructuring transactions (the “Restructuring Transactions”) related to the public offering of our common stock completed July 12, 2017 (the “Public Offering”), “FOR” ratification of the appointment of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm for the fiscal year ending December 31, 2017, and “FOR” the approval of our 2017 Equity Incentive Plan, which votes represent the recommendations of the Board with respect to such matters. The Board does not intend to bring any other matter for a vote at the Annual Meeting, and neither we nor the Board knows of anyone else who intends to do so. However, on any other business that properly comes before the Annual Meeting, your proxies are authorized to vote on your behalf using their best judgment.

8. Where can you find the voting results?

We intend to announce the preliminary voting results at the Annual Meeting and will publish the final results in a Current Report on Form 8-K, which we will file with the SEC no later than four business days following the Annual Meeting. If the final voting results are unavailable in time to file a current report on Form 8-K with the SEC within four business days after the Annual Meeting, we intend to file a Form 8-K to disclose the preliminary results and, within four business days after the final results are known, will file an additional current report on Form 8-K with the SEC to disclose the final voting results.

9. What is a broker non-vote?

If you are a beneficial owner whose shares are held of record by a broker, you must instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a “broker non-vote.” In these cases, the broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required under the rules of the New York Stock Exchange (“NYSE”).

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under NYSE rules to vote your shares on the ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm, even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors, the approval of the Charter Amendment, the approval of the Restructuring Transactions or the approval of our 2017 Equity Incentive Plan, in which case a broker non-vote will occur and your shares will not be voted on these matters.

10. What is a quorum for the Annual Meeting?

The presence of the holders of shares of Series A Preferred Stock and common stock representing a majority of the voting power of all shares of Series A Preferred Stock and common stock issued and outstanding and entitled to vote at the Annual Meeting, or holders of shares of Series A Preferred Stock and common stock entitled to cast at least 10,310,769 votes, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum.

11. What are the voting requirements to elect the directors and to approve each of the proposals discussed in this Proxy Statement?

Election of Directors

Directors are elected by a plurality of the votes cast at the Annual Meeting. This means that the seven persons receiving the highest number of affirmative “for” votes at the Annual Meeting will be elected. Abstentions and broker non-votes are not counted as votes “for” or “against” a director nominee.

Approval of Charter Amendment

The affirmative vote of majority of the total voting power of the Series A Preferred Stock and common stock, or a total of 10,310,769 votes, is required to approve the Charter Amendment proposal. Abstentions and broker non-votes will be counted as votes “against” this proposal.

Approval of Restructuring Transactions

The votes cast “for” must exceed the votes cast “against” to approve the Restructuring Transactions. Abstentions are not counted as votes “for” or “against” this proposal. Although we have determined to allow all stockholders of the Company to cast a vote on this proposal, only the votes cast by holders of our common stock, other than shares of common stock issued upon conversion of the May 2018 Notes, will be determinative as to whether the Restructuring Transactions have been approved in accordance with the applicable rules of the NYSE MKT. Consequently, the votes of the holders of only 13,012,215 shares of common stock will determine whether the Restructuring Transactions are approved in accordance with the applicable rules of the NYSE MKT. The votes cast “for” by the holders of these shares must exceed the votes cast “against” by the holders of these shares to approve the Restructuring Transactions in accordance with the applicable rules of the NYSE MKT. Abstentions are not counted as votes “for” or “against” this proposal.

Ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm

The votes cast “for” must exceed the votes cast “against” to approve the ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm. Abstentions are not counted as votes “for” or “against” this proposal.

Approval of Air Industries Group 2017 Equity Incentive Plan

The votes cast “for” must exceed the votes cast “against” to approve the Air Industries Group 2017 Equity Incentive Plan. Abstentions are not counted as votes “for” or “against” this proposal.

12. How will my shares be voted at the Annual Meeting?

At the Meeting, the Board of Directors (the persons named in the proxy card or, if applicable, their substitutes) will vote your shares as you instruct. If you sign your proxy card and return it without indicating how you would like to vote your shares, your shares will be voted as the Board of Directors recommends, which is:

- **FOR** the election of each of the director nominees named in this Proxy Statement;
- **FOR** the approval of the Charter Amendment;
- **FOR** the approval of the Restructuring Transactions Related to the Public Offering;
- **FOR** the ratification of the appointment of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm for the fiscal year ending December 31, 2017; and
- **FOR** the approval of the Air Industries Group 2017 Equity Incentive Plan.

13. Could other matters be decided at the Annual Meeting?

As of the date of this Proxy Statement, we did not know of any matters to be presented at the Annual Meeting, other than those referred to in this Proxy Statement.

If you return your signed and completed proxy card or vote by telephone or on the Internet and other matters are properly presented at the Annual Meeting for consideration, the individuals named as proxies on the enclosed proxy card will have the discretion to vote on your behalf.

14. Who will pay for the cost of the Annual Meeting and this proxy solicitation?

The Company will pay the costs associated with the Annual Meeting and solicitation of proxies, including the costs of transmitting the proxy materials. In addition to solicitation by mail, our directors, officers and regular employees (who will not be specifically compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy materials to their principals, and we will reimburse them for their expenses. We have retained Broadridge Issuer Corporate Solutions, Inc. to assist in the mailing, collection and administration of proxies. We have not retained a soliciting agent to assist in the solicitation of proxies.

MATTERS TO COME BEFORE THE ANNUAL MEETING

PROPOSAL ONE:

Election of Directors

Nominees

At the Annual Meeting, seven directors, who have been nominated by the Nominating Committee of the Board of Directors, are to be elected, each to hold office (subject to our By-Laws) until the next annual meeting and until his successor has been elected and qualified. All of the nominees for director currently serve as directors.

Each nominee has consented to being named as a nominee in this proxy statement and to serve if elected. If any nominee listed in the table below should become unavailable for any reason, which the Board of Directors does not anticipate, the proxy will be voted for any substitute nominee or nominees who may be selected by the Board of Directors prior to or at the Annual Meeting, or, if no substitute is selected by the Board of Directors prior to or at the Annual Meeting, for a motion to reduce the membership of the Board of Directors to the number of nominees available. The seven nominees receiving the highest number of affirmative "for" votes at the Annual Meeting will be elected. The information concerning the nominees and their security holdings has been furnished by them to us.

Directors are nominated by our Board of Directors, based on the recommendations of the Nominating Committee. As discussed elsewhere in this proxy statement, in evaluating director nominees, the Nominating Committee considers characteristics that include, among others, integrity, business experience, financial acumen, leadership abilities, familiarity with our businesses and businesses similar or analogous to ours, and the extent to which a candidate's knowledge, skills, background and experience are already represented by other members of our Board of Directors. Information Concerning the Board of Directors

Information Concerning the Board of Directors

Board Leadership Structure and Risk Oversight

The Board does not have a policy requiring separation of the roles of Chief Executive Officer and Chairman of the Board. Nevertheless, Michael N. Taglich is Chairman of the Board and Peter D. Rettaliata is Acting Chief Executive Officer of the Company.

The Board has determined that a non-employee director serving as Chairman is in the best interests of our stockholders at this time. This structure ensures a greater role of non-employee Directors in the active oversight of our business, including risk management oversight, and in setting agendas and establishing Board priorities and procedures. This structure also allows the Chief Executive Officer to focus to a greater extent on the management of our day-to-day operations.

The Board of Directors as a whole is responsible for consideration and oversight of risks facing the Company, and is responsible for ensuring that material risks are identified and managed appropriately. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including reports on noteworthy risk-management issues. Members of the Company’s senior management team regularly report to the full Board about their areas of responsibility and a component of these reports is risk within the area of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting on risks is conducted as needed or as requested by the Board or one of its committees.

Board Independence

Our Board of Directors has determined that Robert Schroeder, Seymour G. Siegel, David Buonanno and Michael Brand are “independent directors” within the meaning of NYSE MKT Rule 803A(2).

Director Compensation

Non-employee Directors are entitled to receive compensation for serving as directors and may receive option grants from our company. Board Meetings; Committees and Membership

The Board of Directors held four meetings during the fiscal year ended December 31, 2016 (“fiscal 2016”). During fiscal 2016, each of the directors then in office attended more than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings of all committees of the Board on which such director served.

We maintain the following committees of the Board of Directors: the Audit Committee, the Compensation Committee and the Nominating Committee. Each committee is comprised entirely of directors who are “independent” within the meaning of NYSE MKT Rule 803A(2). Each committee acts pursuant to a separate written charter, and each such charter has been adopted and approved by the Board of Directors. Copies of the committee charters are available on our website at airindustriestgroup.com under the heading “Investor Relations.”

Audit Committee. Messrs. Siegel, Schroeder and Buonanno are members of the Audit Committee. Mr. Siegel serves as Chairman of the Audit Committee and also qualifies as an “audit committee financial expert,” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K. The Board has determined that each member of our Audit Committee meets the financial literacy requirements under the Sarbanes-Oxley Act and SEC rules and the independence requirements under NYSE MKT Rule 803A(2).

Our Audit Committee is responsible for preparing reports, statements and charters of audit committees required by the federal securities laws, as well as:

- overseeing and monitoring the integrity of our consolidated financial statements, our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters, and our internal accounting and financial controls;
- preparing the report that SEC rules require be included in our annual proxy statement;
- overseeing and monitoring our independent registered public accounting firm’s qualifications, independence and performance;
- providing the Board with the results of its monitoring and its recommendations ; and
- providing to the Board additional information and materials as it deems necessary to make the Board aware of significant financial matters that require the attention of the Board.

The Audit Committee held five meetings during fiscal 2016.

Compensation Committee. Our Compensation Committee is composed of Messrs. Siegel, Buonanno and Brand. The Compensation Committee is responsible for:

- establishing the Company’s general compensation policy, in consultation with the Company’s senior management, and overseeing the development and implementation of compensation programs;
- reviewing and approving corporate goals and objectives relevant to the compensation of the CEO, and evaluating the performance of the CEO at least annually in light of those goals and objectives and communicating the results of such evaluation to the CEO and the Board, and determining the CEO’s compensation level based on this evaluation, subject to ratification by the independent directors on the Board. In determining the incentive component of CEO compensation, the Committee will consider, among other factors, the Company’s performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies, the awards given to the CEO in past years, and such other factors as the Committee may determine to be appropriate;
- reviewing and approving the compensation of all other executive officers of the Company, such other managers as may be directed by the Board, and the directors of the Company;

- overseeing the Board's benefit and equity compensation plans, overseeing the activities of the individuals and committees responsible for administering these plans, and discharging any responsibilities imposed on the Committee by any of these plans;
- approving issuances under, or any material amendments to, any stock option or other similar plan pursuant to which a person not previously an employee or director of the Company, as an inducement material to the individual's entering into employment with the Company, will acquire stock or options;
- in consultation with management, overseeing regulatory compliance with respect to compensation matters, including overseeing the Company's policies on structuring compensation programs to preserve related tax objectives;
- reviewing and approving any severance or similar termination payments proposed to be made to any current or former officer of the Company; and
- preparing an annual report on executive compensation for inclusion in our proxy statement for the election of directors, if required under the applicable SEC rules.

The Compensation Committee held two meetings during fiscal 2016.

Nominating Committee. Our Nominating Committee is composed of Messrs. Schroeder, Siegel and Brand. The purpose of the Nominating Committee is to seek and nominate qualified candidates for election or appointment to our Board of Directors. The Nominating Committee held one meeting during fiscal 2016.

The Nominating Committee will seek candidates for election and appointment that possess the integrity, leadership skills and competency required to direct and oversee the Company's management in the best interests of its stockholders, customers, employees, communities it serves and other affected parties.

A candidate must be willing to regularly attend Committee and Board of Directors meetings, to develop a strong understanding of the Company, its businesses and its requirements, to contribute his or her time and knowledge to the Company and to be prepared to exercise his or her duties with skill and care. In addition, each candidate should have an understanding of all corporate governance concepts and the legal duties of a director of a public company.

Stockholders may contact the Nominating Committee Chairman, the Chairman of the Board or the Corporate Secretary in writing when proposing a nominee. This correspondence should include a detailed description of the proposed nominee's qualifications and a method to contact that nominee if the Nominating Committee so chooses.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our Directors, Executive Officers and beneficial owners of more than 10% of our common stock to file with the SEC reports of their holdings of, and transactions in, our common stock. Based solely upon our review of copies of such reports and written representations from reporting persons that were provided to us, we believe that our officers, directors and 10% stockholders complied with these reporting requirements with respect to 2016, except that Form 4s reporting the indirect beneficial ownership by Michael N. Taglich and Robert F. Taglich of subordinated convertible promissory notes issued to Taglich Brothers, Inc., of which they are the principals, in lieu of payment of sales commissions for acting as placement agent for the private placement of those notes in August, November and December of 2016 was not timely filed.

Policy Regarding Attendance of Directors at Annual Meetings of Stockholders

We have not established a formal policy regarding director attendance at our annual meetings of stockholders, although we encourage our directors to attend the annual meeting.

The following summary compensation table shows, for the periods indicated, information regarding the compensation awarded to, earned by or paid to our principal executive officer and our chief accounting officer (our only other executive officer whose compensation exceeded \$100,000), for all services rendered in all capacities to our company and its subsidiaries. Peter D. Rettaliata receives \$50,000 per annum for serving as a director of, and consultant to, our company. We have not yet reached agreement on the compensation he is to receive for serving as our Acting President and Chief Executive Officer.

Michael E. Recca receives a salary of \$200,000 per annum for serving as our Chief Financial Officer.

Executive Compensation Policies as They Relate to Risk Management

The Compensation Committee and management have considered whether our compensation policies might encourage inappropriate risk taking by the Company’s executive officers and other employees. The Compensation Committee has determined that the current compensation structure aligns the interests of the executive officers with those of the Company without providing rewards for excessive risk taking by awarding a mix of fixed and performance based or discretionary bonuses with the performance based compensation focused on profits as opposed to revenue growth.

During the years ended December 31, 2016 and 2015, less than 1% of the total compensation paid to employees was paid in performance-based compensation, including commissions and bonuses.

Equity Awards – 2016

We did not grant any equity awards in the form of shares to any of the named Executive Officers during 2016 and consequently have omitted the table which would have described such awards.

Equity Incentive Plans

We have four equity incentive plans, the 2017 Equity Incentive Plan (the “2017 Plan”), which our Board of Directors adopted on July 24, 2017 and which will be submitted to stockholders for approval at the Annual Meeting, the 2016 Equity Incentive Plan (“the “2016 Plan”), which our Board of Directors adopted in June 2016 and our stockholders approved on November 30, 2016, the 2015 Equity Incentive Plan (the “2015 Plan”), which our Board of Directors adopted in March 2015 and our stockholders approved in June 2015, and the 2013 Equity Incentive Plan (the “2013 Plan”), which our Board of Directors adopted in May 2013 and our stockholders approved in July 2013. The Plans are virtually identical, except that the 2017 Plan authorizes the issuance of 1,200,000 shares of common stock, the 2016 Plan and the 2015 Plan authorizes the issuance of 350,000 shares of common stock and the 2013 Plan authorizes the issuance of 600,000 shares. As of June 30, 2017, options to purchase 138,000 shares had been granted and remained outstanding under the 2015 Plan, and 212,000 shares remained available for grant, and options to purchase 564,342 shares remained outstanding and 33,000 shares remained available for issuance under the 2013 Plan. As of June 30, 2017, no stock awards had been made or options granted under the 2016 Plan. On July 24, 2017, we granted options to purchase a total of 525,000 shares under the Plans. In addition, on August 3, 2017, we granted an aggregate of 114,056 shares as stock awards to four of our non-employee directors under the 2017 Plan.

The Plans permit the Company to grant stock awards and non-qualified and incentive stock options to employees, directors and consultants. The Plans are administered by the Compensation Committee of the Board and each has a term of ten years from the date it was adopted by the Board.

We adopted the Plans to provide a means by which employees, directors, and consultants of our Company and those of our subsidiaries and other designated affiliates, which we refer to together as our affiliates, may be given an opportunity to purchase our common stock, to assist in retaining the services of such persons, to secure and retain the services of persons capable of filling such positions, and to provide incentives for such persons to exert maximum efforts for our success and the success of our affiliates.

Transactions with Related Persons

Our Policy Concerning Transactions with Related Persons

Under Item 404 of SEC Regulation S-K, a related person transaction is any actual or proposed transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, including those involving indebtedness not in the ordinary course of business, to which we or our subsidiaries were or are a party, or in which we or our subsidiaries were or are a participant, in which the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, beneficial owners of more than 5% of any class of our voting securities (a "significant shareholder"), or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

We recognize that transactions between us and any of our Directors or Executives or with a third party in which one of our officers, directors or significant shareholders has an interest can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our Company and stockholders.

The Audit Committee of the Board of Directors is charged with responsibility for reviewing, approving and overseeing any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K), including the propriety and ethical implications of any such transactions, as reported or disclosed to the Committee by the independent auditors, employees, officers, members of the Board of Directors or otherwise, and to determine whether the terms of the transaction are not less favorable to us than could be obtained from an unaffiliated party.

Transactions

The following includes a summary of transactions since January 1, 2014, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and in which any related person had or will have a direct or indirect material interest.

From time to time when needed, we have borrowed funds from Michael Taglich and Robert F. Taglich, as discussed below. In addition, as discussed below, Taglich Brothers, of which Michael Taglich and Robert F. Taglich are principals, has acted as placement agent for offerings of our securities and provided us with other investment banking and advisory services.

This agreement renewed annually until terminated in October 2016. We paid Taglich Brothers \$1,500 per month for posting its research reports on our company on its website pursuant to a research distribution agreement, or a total of \$18,000 for each of 2014 and 2015 and \$9,000 for 2016.

The conversion price of the 2019 Notes and the exercise price of the warrants, as well as the number of shares issuable upon conversion of the 2019 Notes and the exercise of the warrants, are subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations. The warrants may be exercised until January 31, 2022 and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise.

As compensation for its services as placement agent for the private placement in March 2017 of the 2019 Notes, we issued to Taglich Brothers, in lieu of cash payment of sales commissions, 2019 Notes in the principal amount of \$96,000 (of which a 2019 Note in the principal amount of \$44,400 has a conversion price of \$3.30 per share, a 2019 Note in the principal amount of \$43,600 has a conversion price of \$3.78 per share and a 2019 Note in the principal amount of \$8,000 has a conversion price of \$3.25 per share) and five-year warrants to purchase a total of 7,386 shares of common stock (of which warrants to purchase 3,416 shares have an exercise price of \$3.30 per share, warrants to purchase 3,354 shares have an exercise price of \$3.78 and warrants to purchase 616 shares have an exercise price of \$4.00). We also issued to Taglich Brothers placement agent warrants to purchase a total of 36,877 shares of common stock, of which warrants to purchase 17,030 shares have an exercise price of \$3.30 per share, warrants to purchase 16,770 shares have an exercise price of \$3.78 and warrants to purchase 3,077 shares have an exercise price of \$4.00, and having the same terms as the warrants issued to purchasers of the 2019 Notes in the March 2019 private placement.

On March 8, 2017, we issued and sold to Robert F. Taglich a 2019 Note in the principal amount of \$100,000, together with a five year warrant to purchase 7,692 shares of common stock for a purchase price \$100,000. The 2019 Note issued to Robert F. Taglich has a conversion price of \$3.30 per share, and the warrant issued to Robert F. Taglich has an exercise price of \$3.30 per share. The conversion price of the 2019 Notes and the exercise price of the warrants, as well as the number of shares issuable upon conversion of the 2019 Notes and the exercise of the warrants, are subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations. The warrants may be exercised until January 31, 2022 and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise.

As compensation for its services as placement agent for the private placement in March 2017 of the 2019 Notes, we issued to Taglich Brothers, in lieu of cash payment of sales commissions, 2019 Notes in the principal amount of \$96,000 (of which a 2019 Note in the principal amount of \$44,400 has a conversion price of \$3.30 per share, a 2019 Note in the principal amount of \$43,600 has a conversion price of \$3.78 per share and a 2019 Note in the principal amount of \$8,000 has a conversion price of \$3.25 per share) and five-year warrants to purchase a total of 7,386 shares of common stock (of which warrants to purchase 3,416 shares have an exercise price of \$3.30 per share, warrants to purchase 3,354 shares have an exercise price of \$3.78 and warrants to purchase 616 shares have an exercise price of \$4.00). We also issued to Taglich Brothers placement agent warrants to purchase a total of 36,877 shares of common stock, of which warrants to purchase 17,030 shares have an exercise price of \$3.30 per share, warrants to purchase 16,770 shares have an exercise price of \$3.78 and warrants to purchase 3,077 shares have an exercise price of \$4.00, and having the same terms as the warrants issued to purchasers of the 2019 Notes in the March 2019 private placement.

On March 17, 2017, we borrowed \$200,000 and \$300,000 from each of Michael N. Taglich and Robert F. Taglich, respectively, directors and principal stockholders of our company, and issued our promissory notes in the principal amounts of \$200,000 and \$300,000 to Michael N. Taglich and Robert F. Taglich, respectively, to evidence our obligation to repay that indebtedness (the "Taglich Notes"). The Taglich Notes bear interest at the rate of 7% per annum and are payable on March 17, 2018. The Taglich Notes have been amended to provide for the automatic conversion of the indebtedness evidenced thereby into shares of common stock at a conversion price of \$1.50 per share, the public offering price of the shares of our common stock sold in the Public Offering, following the stockholder vote upon the Restructuring Transactions at our 2017 Annual Meeting of Stockholders, even if stockholders do not approve the Restructuring Transactions.

On May 2, 2017, we borrowed \$500,000 from each of Michael N. Taglich and Robert F. Taglich, and on May 10, 2017 we borrowed an additional \$250,000 from each of Michael N. Taglich and Robert F. Taglich (collectively, the "Taglich Loans"). The Taglich Loans were exchanged for May 2018 Notes in the same principal amount of indebtedness.

On May 12, 2017 each of Michael N. Taglich and Robert F. Taglich acquired \$774,217 principal amount of our May 2018 Notes, together with warrants to purchase 93,279 shares of our common stock, in consideration for the cancellation of the indebtedness related to the Taglich Loans. For a discussion of the terms of the May 2018 Notes, see the section of this prospectus captioned "Description of Securities – May 2018 Notes". On May 19, 2017, a partnership of which Michael N. Taglich and Robert F. Taglich are partners, acquired \$205,780 principal amount of May 2018 Notes and warrants to purchase 24,792 shares of our common stock for a purchase price of \$199,786. The warrants, when issued, were exercisable at an initial exercise price of \$2.49 per share until May 12, 2022, and may be exercised on a cashless basis for a lesser number of shares based upon prevailing market prices when exercised. The exercise price of the warrants is subject to anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as recapitalizations, mergers and other business combination transactions. In accordance with the terms of the warrants, the exercise price has been reduced to \$1.50 per share, the public offering price of the shares of common stock sold in the Public Offering.. We have agreed to pay Taglich Brothers \$176,155 in sales commissions in connection with the May 2018 Note financing.

The May 2018 Notes beneficially owned by Michael N. Taglich and Robert F. Taglich have been amended to require stockholder approval for the conversion thereof to comply with applicable rules of the NYSE MKT. At a meeting on July 24, 2017, the Board of Directors adopted a resolution authorizing the conversion of the May 2018 Notes at a conversion price of \$1.50 per share following the stockholder vote upon the Restructuring Transactions at our 2017 Annual Meeting of Stockholders, even if stockholders do not approve the Restructuring Transactions.

In connection with the Public Offering, on July 12, 2017, we amended the Certificate of Designation authorizing the issuance of the Series A Preferred Stock, to provide for the automatic conversion of the outstanding shares of Series A Preferred Stock into shares of common stock at a conversion price of \$1.50 per shares, the public offering price of the shares sold in the Public Offering, subject to stockholder approval in accordance with the applicable rules of the NYSE MKT, including the automatic conversion of 298,968 shares of Series A Preferred Stock beneficially owned by Michael N. Taglich and 105,696 shares of Series A Preferred Stock beneficially owned by Robert F. Taglich, principal partners of Taglich Brothers and principal stockholders and directors of our company, into 1,993,120 shares and 704,640 shares, respectively, of common stock. At a meeting on July 24, 2017, the Board of Directors adopted a further amendment to the Certificate of Designation, subject to approval by a majority of the holders of the Series A Preferred Stock, authorizing the automatic conversion of the outstanding shares of Series A Preferred Stock at a conversion price of \$1.50 per share following the stockholder vote upon the Restructuring Transactions at our 2017 Annual Meeting of Stockholders, even if stockholders do not approve the Restructuring Transactions.

Taglich Brothers or its affiliates may in the future provide investment banking, commercial banking and/or other services to us from time to time, for which they may in the future receive customary fees and expenses.

The foregoing transactions were reviewed and approved by the Audit Committee or our Board of Directors. We believe that the terms of each transaction were not less favorable to us than those terms that could be obtained from an unaffiliated third party.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information known to us regarding beneficial ownership of our Series A Preferred Stock and our common stock as of August 10, 2017 (the “Record Date”), by (i) each person known by us to own beneficially more than 5% of our outstanding Series A Preferred Stock or common stock, (ii) each of our directors, (iii) our chief executive officer, and (iii) all of our directors and executive officers as a group. Except as otherwise indicated, we believe, based on information provided by each of the individuals named in the table below, that such individuals have sole investment and voting power with respect to such shares, subject to community property laws, where applicable. As of August 10, 2017 we had outstanding 1,294,441 shares of our Series A Preferred Stock and 14,252,820 shares of our common stock. Each share of Series A Preferred Stock is convertible into 2.0325 shares of common stock (at the current conversion price of \$4.92) and holders of Series A Preferred Stock vote together with holders of common stock as a single class, except on certain matters specified in the Certificate of Designation authorizing the issuance of the Series A Preferred Stock and as required under applicable law. Holders of Series A Preferred Stock are entitled to the number of votes equal to the number of shares of common stock into which the shares of Series A Preferred Stock owned of record by such shareholder could have been converted on August 10, 2017 (2.0325 times the number of shares of Series A Preferred Stock owned of record) and each share of common stock entitled to one vote. Except as stated in the table, the address of the holder is c/o our company, 360 Motor Parkway, Suite 100, Hauppauge, New York 11788.

Audit Committee Report to Stockholders

Pursuant to rules adopted by the SEC designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of our Board of Directors submits the following report:

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors, each of whom is independent within the meaning of NYSE MKT Rule 803A(2). The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal controls over financial reporting, disclosure controls and procedures and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with Public Company Accounting Oversight Board (PCAOB) standards and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee has established a mechanism to receive, retain and process complaints on auditing, accounting and internal control issues, including the confidential, anonymous submission by employees, vendors, customers and others of concerns on questionable accounting and auditing matters.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2016 audited consolidated financial statements. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standards Update No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the PCAOB in Rule 3200T. In addition, the Audit Committee received the written disclosures from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed the independent registered public accounting firm's independence from the Company and its management.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for fiscal 2016 filed with the SEC.

The Audit Committee also has appointed, subject to stockholder ratification, Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017.

Respectfully submitted,

THE AUDIT COMMITTEE

Seymour G. Siegel, Chairman
Robert C. Schroeder
David J. Buonanno

The Report of the Audit Committee should not be deemed filed or incorporated by reference into any other filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates the Report of the Audit Committee therein by reference.

PROPOSAL TWO:

**APPROVAL OF AN AMENDMENT TO OUR ARTICLES OF INCORPORATION
INCREASING THE NUMBER OF SHARES OF COMMON STOCK
WE ARE AUTHORIZED TO ISSUE**

Introduction

Under our Articles of Incorporation we are authorized to issue 3,000,000 shares of preferred stock, par value \$0.001 per share, and 25,000,000 shares of common stock, par value \$0.001 per share. As of August 10, 2017 we had authorized the issuance of 2,000,000 shares of Series A Convertible Preferred Stock (the "Series A Preferred Stock"), of which 1,294,441 shares were issued and outstanding, and we had 14,252,826 shares of common stock issued and outstanding. At a meeting of our Board of Directors on July 24, 2017, for the reasons discussed below, our Board of Directors adopted, subject to approval of our stockholders at the Annual Meeting, an amendment to our Articles of Incorporation increasing the number of shares of common stock we are authorized to issue from 25,000,000 shares to 50,000,000 shares (the "Charter Amendment"). A copy of the Certificate of Amendment to the Articles of Incorporation is annexed as Appendix A to this Proxy Statement.

Shares of Series A Preferred Stock are convertible into shares of our common stock at the rate of 2.0325 shares of common stock for each share of Series A Preferred Stock (equivalent to an initial conversion price of approximately \$4.92 per share of common stock), subject to certain anti-dilution and other adjustments, including stock splits, distributions in respect of the common stock and in the event of certain fundamental transactions such as mergers and other business combinations. If the Restructuring Transactions described in Proposal Three are consummated following the stockholder vote thereon at the Annual Meeting, we will be obligated to issue a total of 10,199,359 shares of common stock, including 8,629,606 shares upon the automatic conversion of the Series A Preferred Stock, 1,222,809 shares upon conversion of \$1,834,214 aggregate principal amount of May 2018 Notes and 346,944 shares upon the automatic conversion of the Taglich Notes. In addition, we are obligated to issue a total of 1,950,148 shares of common stock upon conversion of our outstanding 8% Subordinated Convertible Notes, a total of approximately a total of 1,469,530 shares of common stock upon exercise of outstanding warrants and 1,041,342 shares of common stock upon exercise of options granted to our non-employee directors, officers, employees and consultants under our incentive equity plans .

The Charter Amendment gives our Board of Directors authority to issue up to 50,000,000 shares of common stock. Our Board of Directors believes that it is necessary, and in the best interests of our company and its stockholders, to increase the number of authorized shares of common stock we may issue to enable it to respond quickly to opportunities to raise capital in public or private offerings, as well as to enable it to act with flexibility to issue shares of common stock in connection with strategic acquisitions, debt restructurings, equity compensation and incentives to employees and officers, and other favorable opportunities that may arise to enhance our capital structure.

Other than as specified above, and upon conversion of shares of Series A Preferred Stock and other securities convertible into shares of our common stock, upon exercise of outstanding options and warrants, we have no present arrangements, agreements or understandings for the use of the additional shares proposed to be authorized. No additional action or authorization by the stockholders would be necessary prior to the issuance of any additional shares, unless required by applicable law. We reserve the right to seek a further increase in authorized shares, from time to time in the future as appropriate.

Effect of Proposal Two on Current Stockholders

None of the rights of the holders of our common stock are being changed as a result of the adoption of the Charter Amendment and, therefore, the rights of the holders of our common stock will remain unchanged, including the right of holders of Series A Preferred Stock to vote on an as-converted basis, together with holders of common stock who will continue to have one vote for each share of common stock in voting upon any action requiring a vote of the holders of common stock, including the election of directors, and the right of holders of Series A Preferred Stock to vote as a separate class on certain matters specified in the certificate of designation for the Series A Preferred Stock and as required under applicable law, except that the voting rights of holders of our common stock as to particular matters, the right to receive the net proceeds of any liquidation of our company and the right to receive dividends when and if declared by our Board of Directors are subject to and may be limited by, the preferential rights of holders of any series of preferred stock which may be issued by resolution of our Board of Directors.

The issuance of any additional shares of common stock may, depending on the circumstances under which those shares are issued, reduce stockholders' equity per share and, unless additional shares are issued to all stockholders on a pro rata basis, will reduce the percentage ownership of common stock of existing stockholders. In addition, if our Board of Directors elects to issue additional shares of common stock, such issuance could have a dilutive effect on the earnings per share, voting power and shareholdings of current stockholders. We expect, however, to receive consideration for any additional shares of common stock issued, thereby reducing or eliminating any adverse economic effect to each stockholder of such dilution.

We have not entered into any agreements and do not have any understanding or arrangements for any particular business combination and we do not have any plans, arrangements or understandings, written or oral, to issue any of the shares that will be newly available as a result of the adoption of the Amendment. The issuance in the future of such additional authorized shares of our common stock as a result of the adoption of the Amendment may have the effect of diluting the earnings per share and book value per share, as well as the stock ownership and voting rights of the currently outstanding shares of common stock. The effective increase in the number of authorized but unissued shares of our common stock may be construed as having an anti-takeover effect by permitting the issuance of such securities to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions our Articles of Incorporation, as amended, or bylaws.

Anti-Takeover Effects

Although the adoption of the Charter Amendment is not motivated by anti-takeover concerns and is not considered by our Board of Directors to be an anti-takeover measure, the availability of additional authorized shares of common stock could enable the Board of Directors to issue shares defensively in response to a takeover attempt or to make an attempt to gain control of our company more difficult or time-consuming. For example, shares of common stock could be issued to purchasers who might side with management in opposing a takeover bid that the Board of Directors determines is not in our best interests, thus diluting the ownership and voting rights of the person seeking to obtain control of our company. In certain circumstances, the issuance of preferred Stock or common stock without further action by the stockholders may have the effect of delaying or preventing a change in control of our company, may discourage bids for our common stock at a premium over the prevailing market price and may adversely affect the market price of our common stock. As a result, increasing the authorized number of shares of our common stock could render more difficult and less likely a hostile takeover, tender offer or proxy contest, assumption of control by a holder of a large block of our stock, and the possible removal of our incumbent management. We are not aware of any proposed attempt to take over our company or of any present attempt to acquire a large block of our common stock.

No Dissenter or Appraisal Rights

Stockholders do not have any dissenter or appraisal rights in connection with the Charter Amendment under Nevada law.

Required Vote

Approval of the Charter Amendment requires the receipt of the affirmative vote of a majority of the outstanding shares of Series A Preferred Stock, voting on an as converted basis (2.0325 votes times the number of shares of Series A Preferred Stock owned of record), together with the outstanding shares of common stock as a single class.

Consequences if Charter Amendment Is Not Approved by Stockholders

If stockholders do not approve the Charter Amendment at the Annual Meeting, we will only be authorized to issue 25,000,000 shares of common stock, of which 14,252,820 shares of common stock are outstanding. If the Restructuring Transactions described in Proposal Three are consummated following the stockholder vote thereon at the Annual Meeting, we will be obligated to issue a total of 10,199,359 shares of common stock, including 8,629,606 shares upon the automatic conversion of the Series A Preferred Stock, 1,222,809 shares upon conversion of \$1,834,214 aggregate principal amount of May 2018 Notes and 346,944 shares upon the automatic conversion of the Taglich Notes. In addition, we are obligated to issue a total of 1,950,148 shares of common stock upon conversion of our outstanding 8% Subordinated Convertible Notes, a total of approximately a total of 1,469,530 shares of common stock upon exercise of outstanding warrants and 1,041,342 shares of common stock upon exercise of options granted to our non-employee directors, officers, employees and consultants under our incentive equity plans. Thus, in the absence of an increase in the number of our authorized shares of common stock, we do not have sufficient authorized shares to fulfill all of our obligations to issue shares of common stock.

THE BOARD RECOMMENDS A VOTE FOR APPROVAL OF THE CHARTER AMENDMENT

PROPOSAL THREE:

Restructuring Transactions Related to Public Offering

On July 12, 2017, we sold 5,175,000 shares of common stock in a firm commitment underwritten public offering at a public offering price of \$1.50 per share (the "Public Offering"). In connection with the Public Offering, we agreed to effect a number of transactions relating to securities we issued in private placement offerings since May 2016, restructuring and deleveraging our capital structure, and increasing the shares of our common stock outstanding and in the public float, including the following:

1. **Series A Preferred Stock Conversion.** 1,294,441 shares of our Series A Convertible Preferred Stock (the "Series A Preferred Stock"), which had a conversion price at the time of initial issuance in May 2016 of \$4.92 per share, were to be automatically converted upon consummation of the Public Offering into approximately 8,629,606 shares of common stock at a conversion price of \$1.50 per share, the public offering price of the shares sold in the Public Offering (the "Series A Preferred Stock Conversion"). However, it was determined that in order to maintain our listing on the NYSE MKT (the "Exchange"), the exchange upon which our common stock is listed, the Series A Preferred Stock Conversion required stockholder approval since it would result in the issuance of 20% or more of the shares of common stock outstanding.

In order to complete the Public Offering and effect the Preferred Stock Conversion, we obtained written consents from the holders of a majority of the outstanding shares of Series A Preferred Stock to amend the certificate of designation relating to the Series A Preferred Stock (the "Certificate of Designation") to, among other things, (1) eliminate the liquidation preference and the dividends rights relating to the Series A Preferred Stock and (2) provide for the automatic conversion of all of the 1,294,441 shares of Series A Preferred Stock into approximately 8,629,606 shares of common stock at a conversion price of \$1.50 per share (the "Series A Preferred Stock Amendment") upon stockholder approval of such issuance in accordance with the rules of the Exchange. On July 12, 2017 we filed a certificate of amendment to the Certificate of Designation with the Secretary of State of Nevada effecting the Series A Preferred Stock Amendment.

At a meeting on July 24, 2017, our Board of Directors adopted a further amendment to the Certificate of Designation, subject to the approval of a majority of the outstanding shares of Series A Preferred Stock, to effect the Preferred Stock Conversion following the stockholder vote on the Restructuring Transactions in accordance with the applicable rules of the Exchange, even if stockholders do not approve the Restructuring Transactions. Consequently, if holders of a majority of the outstanding shares of Series A Preferred Stock approve the amendment to the Certificate of Designation, we will be obligated to issue an additional approximately 8,629,606 shares of common stock following the stockholder vote upon the Restructuring Transactions at the Annual Meeting.

2. Bridge Securities Transaction. We sold \$4,158,624 aggregate principal amount of the May 2018 Notes, together with warrants to purchase an aggregate of 501,039 shares of common stock having an initial exercise price when issued of \$2.49 per share (the "Bridge Warrants"), in a private placement in May 2017 for a purchase price equal to approximately 97% of the principal amount of the May 2018 Notes. In accordance with the terms of the Bridge Warrants, upon completion of the Public Offering, the exercise of the Bridge Warrants was reduced to \$1.50 per share, the price of the shares sold in the Public Offering. In connection with our Public Offering in July 2017, an aggregate principal amount of approximately \$1,780,908 of our May 2018 Notes, which had a conversion price at the time of issuance in May 2017 of \$2.49 per share, were converted into 1,240,605 shares of common stock at a conversion price of \$1.50 per share, the public offering price of the shares sold in the Public Offering. We also redeemed \$463,501 aggregate principal amount of May Notes in connection with the Public Offering. Immediately prior to the closing of the sale of the shares in the Public Offering and the conversion of the May 2018 Notes, it was determined that in order to maintain our listing on the Exchange that the conversion of all of any portion of the balance of the May 2018 Notes at a conversion price of \$1.50 per share and the exercise of any of the 501,039 Bridge Warrants at an exercise price of \$1.50 per share (the "Bridge Securities Transaction") must be approved by our stockholders since the conversion of additional May 2018 Notes or the exercise of the Bridge Warrants would result in the issuance of 20% or more of the shares of common stock outstanding.

At a meeting on July 24, 2017, our Board of Directors adopted resolutions authorizing the issuance of approximately 1,222,809 shares of common stock upon conversion of the remaining \$1,914,215 aggregate principal amount of May 2018 Notes at a conversion price of \$1.50 per share and the reduction in the exercise price of the Bridge Warrants to \$1.50 per share, following the stockholder vote upon the Restructuring Transactions at the Annual Meeting in accordance with applicable rules of the Exchange, even if stockholders do not approve the Restructuring Transactions.

3. Amendment to Taglich Notes. We have outstanding \$500,000 aggregate principal amount of subordinated notes issued in March 2017, consisting of two notes in the amounts of \$200,000 and \$300,000, respectively, payable to Michael N. Taglich and Robert F. Taglich to evidence our obligation to repay them for working capital advances (together, the "Taglich Notes"). The Taglich Notes bear interest at the rate of 7% per annum and are payable on March 17, 2018.

We were to have amended the terms of the Taglich Notes to provide for the conversion of the principal amount thereof, together with accrued interest thereon, at a conversion price of \$1.50 per share, the public offering price of the shares sold in the Public Offering as part of the Restructuring Transactions, subject to stockholder approval in accordance with applicable rules of the Exchange.

Following a meeting of our Board of Directors on July 24, 2017, we amended the Taglich Notes to provide for the automatic conversion of the indebtedness evidenced by the Taglich Notes into shares of common stock at a conversion price of \$1.50 per share following the stockholder vote upon the Restructuring Transactions at the Annual Meeting in accordance with applicable rules of the Exchange, even if stockholders do not approve the Restructuring Transactions. If the Taglich Notes are converted following the stockholder vote on the Restructuring Transactions at the Annual Meeting, we will issue an aggregate of approximately 346,944 shares of common stock to Michael N. Taglich and Robert F. Taglich.

Required Vote

We have determined to let all of our stockholders vote on the Restructuring Transactions. However, for purposes of determining whether the Restructuring Transactions comply with the rules of the Exchange only the votes cast by holders of common stock, other than common stock issued upon conversion of the May 2018 Notes, will be determinative. Consequently, the holders of only 13,012,225 shares of common stock will determine whether the Proposal to Approve the Restructuring Transactions will be approved in accordance with the applicable rules of the Exchange. The votes cast “for” must exceed the votes cast “against” to approve the Proposal to Approve the Restructuring Transactions. Abstentions are not counted as votes “for” or “against” this proposal.

Effect of Consummation of the Restructuring Transactions

Following the stockholder vote to approve the Restructuring Transactions at the Annual Meeting, the following securities will be converted into shares of our common stock at a conversion price of \$1.50 per share: 1,294,441 shares of Series A Preferred Stock will be converted, without any action on the part of the holders thereof, into 8,629,606 shares, an additional approximately 1,222,809 shares will be issued upon conversion of \$1,914,215 principal amount of the May 2018 Notes, and an additional approximately 346,944 shares will be issued upon the automatic conversion of the indebtedness evidenced by the Taglich Notes. In addition, the exercise price of the Bridge Warrants will be reduced to \$1.50 per share.

If stockholders do not approve the Restructuring Transactions in accordance with the applicable rules of the exchange, the Restructuring Transactions will be consummated following the stockholder vote, and our common stock is likely to be delisted by the Exchange.

Assuming we do not issue any other shares of common stock, or securities convertible into, or exercisable or exchangeable for shares of common stock, subsequent to August 10, 2017, the record date for the Annual Meeting, we will have outstanding 24,452,179 shares of common stock and no shares of Series A Preferred Stock, and the number and percent of the outstanding shares of common stock beneficially owned by (i) each person known by us to own beneficially more than 5% of our outstanding common stock, (ii) each of our directors, (iii) our chief executive officer, and (iii) all of our directors and executive officers as a group will be as follows:

**THE BOARD OF DIRECTORS RECOMMENDS
A VOTE FOR THE ADOPTION OF PROPOSAL FOUR**

PROPOSAL FIVE:

Air Industries Group 2017 Equity Incentive Plan

On July 24, 2017, our Board of Directors adopted our 2017 Equity Incentive Plan (the "2017 Plan"). The 2017 Plan is virtually identical to the 2016 Equity Incentive Plan (the "2016 Plan"), adopted in June 2016 and approved by our stockholders on November 30, 2016, except that it authorizes the issuance of 1,200,000 shares of common stock as compared to 350,000 shares authorized under the 2016 Plan.

The Board is submitting the 2017 Plan to stockholders for their approval at the Annual Meeting. The proposal to approve the 2017 Plan will require the affirmative vote of will require the affirmative vote of the holders of a majority of the votes cast in person or proxy by the holders of the Series A Preferred Stock voting on an as converted basis (2.0325 votes times the number of shares of Series A Preferred Stock owned of record), together with the outstanding shares of common stock, voting as a single class.

The material features of the 2017 Plan are outlined below. This summary is qualified in its entirety by reference to the complete text of the 2017 Plan. Stockholders are urged to read the actual text of the 2017 Plan in its entirety, which is set forth as Appendix B to this Proxy Statement.

Background and Purpose

The terms of the 2017 Plan provide for grants of stock options, stock appreciation rights, restricted stock, stock units, bonus stock, dividend equivalents, other stock related awards and performance awards that may be settled in cash, stock, or other property.

We adopted the 2017 Plan to provide a means by which employees, directors, and consultants of our Company and those of our subsidiaries and other designated affiliates, which we refer to together as our affiliates, may be given an opportunity to purchase our common stock, to assist in retaining the services of such persons, to secure and retain the services of persons capable of filling such positions, and to provide incentives for such persons to exert maximum efforts for our success and the success of our affiliates.

Summary of the 2017 Plan

Shares Available for Awards

The total number of shares of our common stock that may be subject to awards under the 2017 Plan is 1,200,000 shares. Under the 2017 Plan, the terms and number of options or other awards to be granted in the future are to be determined in the discretion of the plan administrator. On August 3, 2017, our Board of Directors granted an aggregate of 114,056 shares as stock awards to four of our non-employee directors under the 2017 Plan, including 41,529 shares to each of Michael N. Taglich and Robert F. Taglich, 20,665 shares to Michael Brand and 10,333 shares to Robert Schroeder. Except for those stock awards to our non-employee directors, no determination has been made regarding further awards or grants under the 2017 Plan, or as to the benefits or amounts that will be received by or allocated to our non-employee directors, executive officers and other eligible employees under the 2017 Plan.

On July 24, 2017, we granted options to purchase a total of 525,000 shares under the 2013 Plan, 2015 Plan and 2016 Plan to eight employees and one of our non-employee directors, including options to purchase 50,000 shares to each of Peter D. Rettaliata, our Acting President and CEO and a member of our Board of Directors, Michael E. Recca, our Chief Financial Officer, and Michael Brand, a non-employee director, at an exercise price of \$1.42 per share, vesting in five equal annual installments commencing on the first anniversary of the date of grant, and exercisable for a term of seven years. On April 14, 2016, we granted options to purchase a total of 120,000 shares at an exercise price of \$5.92 per share to ten of our employees under the 2015 Plan. On June 2, 2016, we granted each of our six non-employee directors options to purchase 3,000 shares of common stock under our 2015 Equity Incentive Plan at an exercise price of \$4.64 per share, of which options to purchase 750 shares vested on the date of grant, with the remaining options vesting in quarterly installments of 750 shares on various dates through and including February 1, 2017, all of which have vested.

Limitations on Awards

The plan administrator may, in its discretion, proportionately adjust the number of shares covered by each outstanding Award, and the number of shares which have been authorized for issuance under the 2017 Plan but as to which no Awards have yet been granted or which have been returned to the 2017 Plan, the exercise or purchase price of each such outstanding Award, as well as any other terms that the plan administrator determines require adjustment for (1) any increase or decrease in the number of issued shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the shares, (2) any other increase or decrease in the number of issued shares effected without receipt of consideration by the Company, or (3) as the plan administrator may determine in its discretion, any other transaction with respect to common stock to which Section 424(a) of the Internal Revenue Code of 1986, as amended (the "Code"), applies. Such adjustment shall be made by the plan administrator and its determination shall be final, binding and conclusive.

Eligibility

The persons eligible to receive awards under the 2017 Plan consist of officers, directors, employees, and consultants of our company and those of our affiliates. However, incentive stock options may be granted under the 2016 Plan only to our employees, including officers, and those of our affiliates. An employee on leave of absence may be considered as still in our employ or in the employ of an affiliate for purposes of eligibility under the 2017 Plan. Approximately 400 individuals are eligible to participate in the 2017 Plan.

Administration

The 2017 Plan is administered by our Compensation Committee or other committee appointed by our Board of Directors, or in the absence of any such committee, the Board of Directors (together, our Board of Directors and any committee(s) delegated to administer the Plan, including the Compensation Committee, are referred to as the “plan administrator”). The Compensation Committee, or such other committee appointed from time to time by the Board of Directors to administer the 2017 Plan, is intended to consist of three or more Non-Employee Directors, each of whom will be, to the extent required by Rule 16b-3 under the Exchange Act and the rules of the Financial Industry Regulatory Authority, a non-employee director as defined in Rule 16b-3, an “outside director” as defined under Section 162(m) of the Code and an “independent” director within the meaning of NYSE MKT Rule 303A.02. If for any reason the plan administrator does not meet the requirements of Rule 16b-3 of the Exchange Act or Section 162(m) of the Code, the validity of the awards, grants, interpretation or other actions of the plan administrator will not be affected. The plan administrator has the full authority to select those individuals eligible to receive awards and the amount and type of awards. Subject to the terms of the 2017 Plan, the plan administrator is authorized to select eligible persons to receive awards, determine the type and number of awards to be granted and the number of shares of our common stock to which awards will relate, specify times at which awards will be exercisable or may be settled (including performance conditions that may be required as a condition thereof), set other terms and conditions of awards, prescribe forms of award agreements, interpret and specify rules and regulations relating to the 2017 Plan, and make all other determinations that may be necessary or advisable for the administration of the 2017 Plan. The plan administrator may amend the terms of outstanding awards, in its discretion; provided that any amendment that adversely affects the rights of the award recipient must receive the approval of such recipient.

Stock Options and Stock Appreciation Rights

The plan administrator is authorized to grant stock options, including both incentive stock options, which we refer to as ISOs, and non-qualified stock options. In addition, the plan administrator is authorized to grant stock appreciation rights, which entitle the participant to receive the appreciation in our common stock between the grant date and the exercise date of the stock appreciation right. The plan administrator determines the exercise or purchase price per share subject to an option and the grant price of a stock appreciation right. However, the per share exercise price of an ISO and a non-qualified stock option must not be less than 100% of the fair market value of a share of our common stock on the grant date; provided, however, that in the case of an ISO granted to an employee who owns more than 10% of the voting power of all classes of stock of the Company or affiliates, the exercise or purchase price must not be less than 110% of the fair market value of a share of our common stock on the grant date. The plan administrator generally will fix the maximum term of each option or stock appreciation right, the times at which each stock option or stock appreciation right will be exercisable, and provisions requiring forfeiture of unexercised stock options or stock appreciation rights at or following termination of employment or service, except that no ISO may have a term exceeding ten years. Stock options may be exercised by payment of the exercise price in any form of legal consideration specified by the plan administrator, including cash, shares and outstanding awards or other property having a fair market value equal to the exercise price. The plan administrator determines methods of exercise and settlement and other terms of the stock appreciation rights.

Restricted Stock

The plan administrator is authorized to grant restricted stock. Restricted stock is a grant of shares of our common stock, subject to restrictions on transfers, rights of first refusal, repurchase provisions, forfeiture provisions and other terms and conditions as may be established by the plan administrator. A grantee granted restricted stock generally has all of the rights of one of our shareholders, unless otherwise determined by the plan administrator.

Stock Based Awards

The plan administrator is authorized to grant awards under the 2017 Plan that are denominated or payable in, valued by reference to, or otherwise based on or related to shares of our common stock. Such awards might include convertible or exchangeable debt securities, other rights convertible or exchangeable into shares of our common stock, purchase rights for shares of our common stock, awards with value and payment contingent upon our performance or any other factors designated by the plan administrator, and awards valued by reference to the book value of shares of our common stock or the value of securities of or the performance of specified subsidiaries or business units. The plan administrator determines the terms and conditions of such awards.

Performance Awards

The plan administrator is authorized to grant awards which may be earned in whole or in part upon attainment of performance criteria and which may be settled for cash, shares of our common stock, other securities or a combination of cash, shares of our common stock or other securities. The right of a grantee to exercise or receive a grant or settlement of an award, and the timing thereof, may be subject to satisfaction of performance criteria, which may be based on any one, or combination of, the following factors: increase in share price, earnings per share, total shareholder return, return on equity, return on assets, return on investment, net operating income, cash flow, revenue, economic value added, or personal management objectives. Partial achievement of the specified criteria may result in a partial payment or vesting as specified in the award agreement.

Other Terms of Awards

The plan administrator shall have the authority to determine the provisions, terms, and conditions of each award including, but not limited to, the award vesting schedule, repurchase provisions, rights of first refusal, forfeiture provisions, form of payment (cash, shares of our common stock, or other consideration) upon settlement of the award, payment contingencies, and satisfaction of any performance criteria. The plan administrator may establish one or more programs under the 2017 Plan to permit selected grantees the opportunity to elect to defer receipt of consideration upon exercise of an award, satisfaction of performance criteria, or other event that absent the election would entitle the grantee to payment or receipt of shares of our common stock or other consideration under an award. The plan administrator may establish the election procedures, the timing of such elections, the mechanisms for payments of, and accrual of interest or other earnings, if any, on amounts, shares of our common stock or other consideration so deferred, and such other terms, conditions, rules and procedures that the plan administrator deems advisable for the administration of any such deferral program.

The plan administrator may establish one or more programs under the 2017 Plan to permit selected grantees to exchange an award under the 2017 Plan for one or more other types of awards under the 2017 Plan on such terms and conditions as determined by the plan administrator from time to time. The plan administrator may establish one or more separate programs under the 2017 Plan for the purpose of issuing particular forms of awards to one or more classes of grantees on such terms and conditions as determined by the plan administrator from time to time.

Awards granted under the 2017 Plan generally may not be pledged or otherwise encumbered and are not transferable except by will or by the laws of descent and distribution, or to a designated beneficiary upon the participant's death, except that the plan administrator may, in its discretion, permit transfers of nonqualified stock options for estate planning or other purposes subject to any applicable legal restrictions. The plan administrator may also provide that, in the event that a grantee terminates employment with the Company to assume a position with a governmental, charitable, educational or similar non-profit institution, a third party, including but not limited to a "blind" trust, may be authorized by the plan administrator to act on behalf of and for the benefit of the respective grantee with respect to any outstanding awards.

Acceleration of Vesting; Change in Control

The plan administrator shall have the authority, exercisable either in advance of any actual or anticipated corporate transaction (as defined in the 2017 Plan) or at the time of an actual corporate transaction and exercisable at the time of the grant of an award under the 2017 Plan or any time while an Award remains outstanding, to provide for the full automatic vesting and exercisability of one or more outstanding unvested awards under the 2017 Plan and the release from restrictions on transfer and repurchase or forfeiture rights of such Awards in connection with a corporate transaction, on such terms and conditions as the plan administrator may specify. The plan administrator also shall have the authority to condition any such award vesting and exercisability or release from such limitations upon the subsequent termination of the continuous service of the grantee within a specified period following the effective date of the corporate transaction. Effective upon the consummation of a corporate transaction, all outstanding awards under the 2017 Plan shall remain fully exercisable until the expiration or sooner termination of the award.

Amendment and Termination

Our Board of Directors may amend, alter, suspend, discontinue, or terminate the 2017 Plan, except shareholder approval shall be obtained for any amendment or alteration if such approval is required by law or regulation or under the rules of any stock exchange or quotation system on which shares of our common stock are then listed or quoted. No award may be granted during any suspension of the 2017 Plan or after termination of the 2017 Plan. Any amendment, suspension or termination of the 2017 Plan shall not affect Awards already granted, and such awards shall remain in full force and effect as if the 2017 Plan had not been amended, suspended or terminated, unless mutually agreed otherwise between the grantee and the plan administrator, which agreement must be in writing and signed by the grantee and the Company.

Unless earlier terminated by our Board of Directors, the 2017 Plan will terminate ten years after its adoption by our Board of Directors.

Federal Income Tax Consequences of Awards

The information set forth herein is a summary only and does not purport to be complete. In addition, the information is based upon current federal income tax rules and therefore is subject to change when those rules change. Moreover, because the tax consequences to any recipient may depend on his or her particular situation, each recipient should consult the recipient's tax adviser regarding the federal, state, local, and other tax consequences of the grant or exercise of an award or the disposition of stock acquired as a result of an award. The 2017 Plan is not qualified under the provisions of Section 401(a) of the Code and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974.

Nonqualified Stock Options

Generally, there is no taxation upon the grant of a nonqualified stock option where the option is granted with an exercise price equal to the fair market value of the underlying stock on the grant date. On exercise, an optionee will recognize ordinary income equal to the excess, if any, of the fair market value on the date of exercise of the stock over the exercise price. If the optionee is our employee or an employee of an affiliate, that income will be subject to withholding tax. The optionee's tax basis in those shares will be equal to their fair market value on the date of exercise of the option, and the optionee's capital gain holding period for those shares will begin on that date.

Incentive Stock Options

The 2017 Plan provides for the grant of stock options that qualify as "incentive stock options," which we refer to as ISOs, as defined in Section 422 of the Code. Under the Code, an optionee generally is not subject to ordinary income tax upon the grant or exercise of an ISO. In addition, if the optionee holds a share received on exercise of an ISO for at least two years from the date the option was granted and at least one year from the date the option was exercised, which we refer to as the Required Holding Period, the difference, if any, between the amount realized on a sale or other taxable disposition of that share and the holder's tax basis in that share will be long-term capital gain or loss.

If, however, an optionee disposes of a share acquired on exercise of an ISO before the end of the Required Holding Period, which we refer to as a Disqualifying Disposition, the optionee generally will recognize ordinary income in the year of the Disqualifying Disposition equal to the excess, if any, of the fair market value of the share on the date the ISO was exercised over the exercise price. However, if the sales proceeds are less than the fair market value of the share on the date of exercise of the option, the amount of ordinary income recognized by the optionee will not exceed the gain, if any, realized on the sale. If the amount realized on a Disqualifying Disposition exceeds the fair market value of the share on the date of exercise of the option, that excess will be short-term or long-term capital gain, depending on whether the holding period for the share exceeds one year.

For purposes of the alternative minimum tax, the amount by which the fair market value of a share of stock acquired on exercise of an ISO exceeds the exercise price of that option generally will be an adjustment included in the optionee's alternative minimum taxable income for the year in which the option is exercised. If, however, there is a Disqualifying Disposition of the share in the year in which the option is exercised, there will be no adjustment for alternative minimum tax purposes with respect to that share. If there is a Disqualifying Disposition in a later year, no income with respect to the Disqualifying Disposition is included in the optionee's alternative minimum taxable income for that year. In computing alternative minimum taxable income, the tax basis of a share acquired on exercise of an ISO is increased by the amount of the adjustment taken into account with respect to that share for alternative minimum tax purposes in the year the option is exercised.

We are not allowed an income tax deduction with respect to the grant or exercise of an incentive stock option or the disposition of a share acquired on exercise of an incentive stock option after the Required Holding Period. However, if there is a Disqualifying Disposition of a share, we are allowed a deduction in an amount equal to the ordinary income includible in income by the optionee, provided that amount constitutes an ordinary and necessary business expense for us and is reasonable in amount, and either the employee includes that amount in income or we timely satisfy our reporting requirements with respect to that amount.

Stock Awards

Generally, the recipient of a stock award will recognize ordinary compensation income at the time the stock is received equal to the excess, if any, of the fair market value of the stock received over any amount paid by the recipient in exchange for the stock. If, however, the stock is not vested when it is received (for example, if the employee is required to work for a period of time in order to have the right to sell the stock), the recipient generally will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary compensation income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the recipient in exchange for the stock. A recipient may, however, file an election with the Internal Revenue Service, within 30 days of his or her receipt of the stock award, to recognize ordinary compensation income, as of the date the recipient receives the award, equal to the excess, if any, of the fair market value of the stock on the date the award is granted over any amount paid by the recipient in exchange for the stock.

The recipient's basis for the determination of gain or loss upon the subsequent disposition of shares acquired from stock awards will be the amount paid for such shares plus any ordinary income recognized either when the stock is received or when the stock becomes vested.

Stock Appreciation Rights

We may grant stock appreciation rights separate from any other award, which we refer to as stand-alone stock appreciation rights, or in tandem with options.

With respect to stand-alone stock appreciation rights, where the rights are granted with a strike price equal to the fair market value of the underlying stock on the grant date and the recipient receives the appreciation inherent in the stock appreciation rights in shares of stock, the recipient will recognize ordinary compensation income equal to the excess of the fair market value of the stock on the day it is received over any amounts paid by the recipient for the stock.

With respect to stand-alone stock appreciation rights, if the recipient receives the appreciation inherent in the stock appreciation rights in cash or the strike price of the rights is less than the fair market value of the underlying stock on the grant date (whether the appreciation is paid in cash or stock), the cash or stock will be taxable as ordinary compensation income to the recipient at the time that the payment is received, so long as the payment may only be received upon one of the following events: a fixed calendar date, separation from service, death, disability or a change of control. If delivery occurs on another date, the taxable event will be on the date the stock appreciation right is vested and there will be an additional twenty percent excise tax and interest on any taxes owed.

At this time, due to the complex and unfavorable tax consequences, we do not plan on granting any tandem stock appreciation rights.

Dividend Equivalent Rights

Generally, the recipient of an award consisting of dividend equivalent rights will recognize ordinary compensation income each time a dividend is paid pursuant to the dividend equivalent rights award equal to the fair market value of the dividend received. If the dividends are deferred, additional requirements must be met to ensure that the dividend is taxable upon actual delivery of the shares, instead of the grant of the dividend.

The following table summarizes shares of our common stock to be issued upon exercise of options and warrants, the weighted-average exercise price of outstanding options and warrants and options available for future issuance pursuant to our equity compensation plans as of December 31, 2016:

(a) Subject to the provisions of Section 10, below, the maximum aggregate number of Shares which may be issued pursuant to all Awards (including Incentive Stock Options) is 1,200,000 Shares. The Shares to be issued pursuant to Awards may be authorized, but unissued, or reacquired Common Stock.

(b) Any Shares covered by an Award (or portion of an Award) which is forfeited or canceled, expires or is settled in cash, shall be deemed not to have been issued for purposes of determining the maximum aggregate number of Shares which may be issued under the Plan. If any unissued Shares are retained by the Company upon exercise of an Award in order to satisfy the exercise price for such Award or any withholding taxes due with respect to such Award, such retained Shares subject to such Award shall become available for future issuance under the Plan (unless the Plan has terminated). Shares that actually have been issued under the Plan pursuant to an Award shall not be returned to the Plan and shall not become available for future issuance under the Plan, except that if unvested Shares are forfeited, or repurchased by the Company at their original purchase price, such Shares shall become available for future grant under the Plan.

4. Administration of the Plan.

(a) Plan Administrator.

(i) Administration with Respect to Directors and Officers. With respect to grants of Awards to Directors or Employees who are also Officers or Directors of the Company, the Plan shall be administered by (A) the Board or (B) a Committee designated by the Board, which Committee shall be constituted in such a manner as to satisfy the Applicable Laws and to permit such grants and related transactions under the Plan to be exempt from Section 16(b) of the Exchange Act in accordance with Rule 16b-3. Once appointed, such Committee shall continue to serve in its designated capacity until otherwise directed by the Board.

(ii) Administration with Respect to Consultants and Other Employees. With respect to grants of Awards to Employees or Consultants who are neither Directors nor Officers of the Company, the Plan shall be administered by (A) the Board or (B) a Committee designated by the Board, which Committee shall be constituted in such a manner as to satisfy the Applicable Laws. Once appointed, such Committee shall continue to serve in its designated capacity until otherwise directed by the Board. The Board may authorize one or more Officers to grant such Awards and may limit such authority as the Board determines from time to time. Except for the power to amend the Plan as provided in Section 13 and except for determinations regarding Employees who are subject to Section 16 of the Exchange Act or certain key Employees who are, or may become, as determined by the Board or the Committee, subject to Section 162(m) of the Code compensation deductibility limit, and except as may otherwise be required under applicable stock exchange rules, the Board or the Committee may delegate any or all of its duties, powers and authority under the Plan pursuant to such conditions or limitations as the Board or the Committee may establish to any Officer or Officers of the Company

(iii) Administration Errors. In the event an Award is granted in a manner inconsistent with the provisions of this subsection, such Award shall be presumptively valid as of its grant date to the extent permitted by Applicable Laws.

(b) Powers of the Administrator. Subject to Applicable Laws and the provisions of the Plan (including any other powers given to the Administrator hereunder), and except as otherwise provided by the Board, the Administrator shall have the authority, in its discretion:

(i) to select the Employees, Directors and Consultants to whom Awards may be granted from time to time hereunder;

(ii) to determine whether and to what extent Awards are granted hereunder;

(iii) to determine the number of Shares or the amount of other consideration to be covered by each Award granted hereunder;

(iv) to approve forms of Award Agreements for use under the Plan;

(v) to determine the terms and conditions of any Award granted hereunder;

(vi) to amend the terms of any outstanding Award granted under the Plan, provided that any amendment that would adversely affect the Grantee's rights under an outstanding Award shall not be made without the Grantee's written consent;

(vii) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan, including without limitation, any notice of Award or Award Agreement, granted pursuant to the Plan;

(viii) to establish additional terms, conditions, rules or procedures to accommodate the rules or laws of applicable foreign jurisdictions and to afford Grantees favorable treatment under such laws; provided, however, that no Award shall be granted under any such additional terms, conditions, rules or procedures with terms or conditions which are inconsistent with the provisions of the Plan; and

(ix) to take such other action, not inconsistent with the terms of the Plan, as the Administrator deems appropriate.

(c) Effect of Administrator's Decision. All decisions, determinations and interpretations of the Administrator shall be conclusive and binding on all persons.

5. Eligibility, Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants. Incentive Stock Options may be granted only to Employees of the Company, a Parent or a Subsidiary. An Employee, Director or Consultant who has been granted an Award may, if otherwise eligible, be granted additional Awards. Awards may be granted to Employees, Directors or Consultants who are residing in foreign jurisdictions.

6. Terms and Conditions of Awards.

(a) Type of Awards. The Administrator is authorized under the Plan to award any type of arrangement to an Employee, Director or Consultant that is not inconsistent with the provisions of the Plan and that by its terms involves or might involve the issuance of (i) Shares, (ii) an Option, a SAR or similar right with a fixed or variable price related to the Fair Market Value of the Shares and with an exercise or conversion privilege related to the passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions, or (iii) any other security with the value derived from the value of the Shares. Such awards include, without limitation, Options, SARs, sales or bonuses of Restricted Stock, Dividend Equivalent Rights, Performance Units or Performance Shares, and an Award may consist of one such security or benefit, or two (2) or more of them in any combination or alternative.

(b) Designation of Award. Each Award shall be designated in the Award Agreement. In the case of an Option, the Option shall be designated as either an Incentive Stock Option or a Non-Qualified Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of Shares subject to Options designated as Incentive Stock Options which become exercisable for the first time by a Grantee during any calendar year (under all plans of the Company or any Parent or Subsidiary) exceeds \$100,000, such excess Options, to the extent of the Shares covered thereby in excess of the foregoing limitation, shall be treated as Non-Qualified Stock Options. For this purpose, Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the date the Option with respect to such Shares is granted.

(c) Conditions of Award. Subject to the terms of the Plan, the Administrator shall determine the provisions, terms, and conditions of each Award including, but not limited to, the Award vesting schedule, repurchase provisions, rights of first refusal, forfeiture provisions, form of payment (cash, Shares, or other consideration, including cashless exercise) upon settlement of the Award, payment contingencies, and satisfaction of any performance criteria. The performance criteria established by the Administrator may be based on any one of, or combination of, increase in share price, earnings per share, total stockholder return, return on equity, return on assets, return on investment, net operating income, cash flow, revenue, economic value added, personal management objectives, or other measure of performance selected by the Administrator. Partial achievement of the specified criteria may result in a partial payment or vesting as specified in the Award Agreement.

(d) Acquisitions and Other Transactions. The Administrator may issue Awards under the Plan in settlement, assumption or substitution for, outstanding awards or obligations to grant future awards in connection with the Company or a Related Entity acquiring another entity, an interest in another entity or an additional interest in a Related Entity whether by merger, stock purchase, asset purchase or other form of transaction.

(e) Deferral of Award Payment. The Administrator may establish one or more programs under the Plan to permit selected Grantees the opportunity to elect to defer receipt of consideration upon exercise of an Award, satisfaction of performance criteria, or other event that absent the election would entitle the Grantee to payment or receipt of Shares or other consideration under an Award. The Administrator may establish the election procedures, the timing of such elections, the mechanisms for payments of, and accrual of interest or other earnings, if any, on amounts, Shares or other consideration so deferred, and such other terms, conditions, rules and procedures that the Administrator deems advisable for the administration of any such deferral program.

(f) Award Exchange Programs. The Administrator may establish one or more programs under the Plan to permit selected Grantees to exchange an Award under the Plan for one or more other types of Awards under the Plan on such terms and conditions as determined by the Administrator from time to time.

(g) Separate Programs. The Administrator may establish one or more separate programs under the Plan for the purpose of issuing particular forms of Awards to one or more classes of Grantees on such terms and conditions as determined by the Administrator from time to time.

(h) Early Exercise. The Award Agreement may, but need not, include a provision whereby the Grantee may elect at any time while an Employee, Director or Consultant to exercise any part or all of the Award prior to full vesting of the Award. Any unvested Shares received pursuant to such exercise may be subject to a repurchase right in favor of the Company or a Related Entity or to any other restriction the Administrator determines to be appropriate.

(i) Term of Award. The term of each Award shall be the term stated in the Award Agreement, provided, however, that the term of an Incentive Stock Option shall be no more than ten (10) years from the date of grant thereof. However, in the case of an Incentive Stock Option granted to a Grantee who, at the time the Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant thereof or such shorter term as may be provided in the Award Agreement.

(j) Transferability of Awards. Except as otherwise provided in this Section, all Awards under the Plan shall be nontransferable and shall not be assignable, alienable, saleable or otherwise transferable by the Grantee other than by will or the laws of descent and distribution except pursuant to a domestic relations order entered by a court of competent jurisdiction. Notwithstanding the preceding sentence, the Board or the Committee may provide that any Award of Non-Qualified Stock Options may be transferable by the recipient to family members or family trusts established by the Grantee. The Board or the Committee may also provide that, in the event that a Grantee terminates employment with the Company to assume a position with a governmental, charitable, educational or similar non-profit institution, a third party, including but not limited to a "blind" trust, may be authorized by the Board or the Committee to act on behalf of and for the benefit of the respective Grantee with respect to any outstanding Awards. Except as otherwise provided in this Section, during the life of the Grantee, Awards under the Plan shall be exercisable only by him or her except as otherwise determined by the Board or the Committee. In addition, if so permitted by the Board or the Committee, a Grantee may designate a beneficiary or beneficiaries to exercise the rights of the Grantee and receive any distributions under the Plan upon the death of the Grantee.

(k) Time of Granting Awards. The date of grant of an Award shall for all purposes be the date on which the Administrator makes the determination to grant such Award, or such other date as is determined by the Administrator. Notice of the grant determination shall be given to each Employee, Director or Consultant to whom an Award is so granted within a reasonable time after the date of such grant.

7. Award Exercise or Purchase Price, Consideration, Taxes and Reload Options.

(a) Exercise or Purchase Price. The exercise or purchase price, if any, for an Award shall be as follows:

(i) In the case of an Incentive Stock Option: (A) granted to an Employee who, at the time of the grant of such Incentive Stock Option owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be not less than one hundred ten percent (110%) of the Fair Market Value per Share on the date of grant; or (B) granted to any Employee other than an Employee described in the preceding clause, the per Share exercise price shall be not less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Non-Qualified Stock Option, the per Share exercise price shall be not less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant unless otherwise determined by the Administrator.

(iii) In the case of other Awards, such price as is determined by the Administrator.

(iv) Notwithstanding the foregoing provisions of this Section 7(a), in the case of an Award issued pursuant to Section 6(d), above, the exercise or purchase price for the Award shall be determined in accordance with the principles of Section 424(a) of the Code.

(b) Consideration. Subject to Applicable Laws, the consideration to be paid for the Shares to be issued upon exercise or purchase of an Award including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant). In addition to any other types of consideration the Administrator may determine, the Administrator is authorized to accept as consideration for Shares issued under the Plan the following, provided that the portion of the consideration equal to the par value of the Shares must be paid in cash or other legal consideration permitted by the applicable laws of the jurisdiction in which the Company is then incorporated.

(i) cash;

(ii) check;

(iii) delivery of Grantee's promissory note with such recourse, interest, security, and redemption provisions as the Administrator determines is appropriate;

(iv) surrender of Shares or delivery of a properly executed form of attestation of ownership of Shares as the Administrator may require (including withholding of Shares otherwise deliverable upon exercise of the Award) which have a Fair Market Value on the date of surrender or attestation equal to the aggregate exercise price of the Shares as to which said Award shall be exercised (but only to the extent that such exercise of the Award would not result in an accounting compensation charge with respect to the Shares used to pay the exercise price unless otherwise determined by the Administrator);

(v) with respect to options, payment through a broker-dealer sale and remittance procedure pursuant to which the Grantee (A) shall provide written instructions to a Company designated brokerage firm to effect the immediate sale of some or all of the purchased Shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate exercise price payable for the purchased Shares and (B) shall provide written directives to the Company to deliver the certificates for the purchased Shares directly to such brokerage firm in order to complete the sale transaction; or

(vi) with respect to options provided there is then an established market for the Common Stock, by a "cashless exercise" as a result of which the Grantee shall be entitled to receive that number of shares of Common Stock equal to the quotient of (i) the number of Options surrendered for exercise and (ii) the difference between the Fair Market Value (determined in accordance with clause (i) of Section 2(t) hereof) and the exercise price of the Option, in which case the number of Options surrendered for exercise shall be cancelled;

(vii) any combination of the foregoing methods of payment.

(c) Taxes. No Shares shall be delivered under the Plan to any Grantee or other person until such Grantee or other person has made arrangements acceptable to the Administrator for the satisfaction of any foreign, federal, state, or local income and employment tax withholding obligations, including, without limitation, obligations incident to the receipt of Shares or the disqualifying disposition of Shares received on exercise of an Incentive Stock Option. Upon exercise of an Award, the Company shall withhold or collect from Grantee an amount sufficient to satisfy such tax obligations.

(d) Reload Options. In the event the exercise price or tax withholding of an Option is satisfied by the Company or the Grantee's employer withholding Shares otherwise deliverable to the Grantee, the Administrator may issue the Grantee an additional Option, with terms identical to the Award Agreement under which the Option was exercised, but at an exercise price as determined by the Administrator in accordance with the Plan.

8. Exercise of Award.

(a) Procedure for Exercise; Rights as a Stockholder.

(i) Any Award granted hereunder shall be exercisable at such times and under such conditions as determined by the Administrator under the terms of the Plan and specified in the Award Agreement.

(ii) An Award shall be deemed to be exercised upon the later of (x) receipt by the Company of written notice of such exercise in accordance with the terms of the Award by the person entitled to exercise the Award and (y) full payment for the Shares with respect to which the Award is exercised, including, to the extent selected, use of the broker-dealer sale and remittance procedure to pay the purchase price as provided in Section 7(b)(v).

(iii) Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to Shares subject to an Award, notwithstanding the exercise of an Option or other Award. The Company shall issue (or cause to be issued) such stock certificate promptly upon exercise of the Award. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in the Award Agreement or Section 10, below.

(b) Exercise of Award Following Termination of Continuous Service.

(i) An Award may not be exercised after the termination date of such Award set forth in the Award Agreement and may be exercised following the termination of a Grantee's Continuous Service only to the extent provided in the Award Agreement.

(ii) Where the Award Agreement permits a Grantee to exercise an Award following the termination of the Grantee's Continuous Service for a specified period, the Award shall terminate to the extent not exercised on the last day of the specified period or the last day of the original term of the Award, whichever occurs first.

(iii) Any Award designated as an Incentive Stock Option to the extent not exercised within the time permitted by law for the exercise of Incentive Stock Options following the termination of a Grantee's Continuous Service shall convert automatically to a Non-Qualified Stock Option and thereafter shall be exercisable as such to the extent exercisable by its terms for the period specified in the Award Agreement.

(c) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares, an Award previously granted, based on such terms and conditions as the Administrator shall establish and communicate to the Grantee at the time that such offer is made.

9. Conditions Upon Issuance of Shares.

(a) Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares pursuant thereto shall comply with all Applicable Laws, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any Applicable Laws.

10. Adjustments Upon Changes in Capitalization. Subject to any required action by the stockholders of the Company, the Administrator may, in its discretion, proportionately adjust the number of Shares covered by each outstanding Award, and the number of Shares which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan, the exercise or purchase price of each such outstanding Award, as well as any other terms that the Administrator determines require adjustment for (a) any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Shares, (b) any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company, or (c) as the Administrator may determine in its discretion, any other transaction with respect to Common Stock to which Section 424(a) of the Code applies; provided, however that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Administrator and its determination shall be final, binding and conclusive. Except as the Administrator determines, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the number or price of Shares subject to an Award.

11. Corporate Transactions and Related Entity Dispositions. Except as may be provided in an Award Agreement:

(a) The Administrator shall have the authority, exercisable either in advance of any actual or anticipated Corporate Transaction or Related Entity Disposition or at the time of an actual Corporate Transaction or Related Entity Disposition and exercisable at the time of the grant of an Award under the Plan or any time while an Award remains outstanding, to provide for the full automatic vesting and exercisability of one or more outstanding unvested Awards under the Plan and the release from restrictions on transfer and repurchase or forfeiture rights of such Awards in connection with a Corporate Transaction or Related Entity Disposition, on such terms and conditions as the Administrator may specify. The Administrator also shall have the authority to condition any such Award vesting and exercisability or release from such limitations upon the subsequent termination of the Continuous Service of the Grantee within a specified period following the effective date of the Corporate Transaction or Related Entity Disposition. Effective upon the consummation of a Corporate Transaction or Related Entity Disposition, all outstanding Awards under the Plan, shall remain fully exercisable until the expiration or sooner termination of the Award.

(b) The portion of any Incentive Stock Option accelerated under this Section 11 in connection with a Corporate Transaction or Related Entity Disposition shall remain exercisable as an Incentive Stock Option under the Code only to the extent the \$ 100,000 dollar limitation of Section 422(d) of the Code is not exceeded. To the extent such dollar limitation is exceeded, the accelerated excess portion of such Option shall be exercisable as a Non-Qualified Stock Option.

12. Effective Date and Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the stockholders of the Company. It shall continue in effect for a term of ten (10) years unless sooner terminated. Subject to Section 13 below, and Applicable Laws, Awards may be granted under the Plan upon its becoming effective.

13. Amendment, Suspension or Termination of the Plan.

(a) The Board may at any time amend, suspend or terminate the Plan. To the extent necessary to comply with Applicable Laws, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required.

(b) No Award may be granted during any suspension of the Plan or after termination of the Plan.

(c) Any amendment, suspension or termination of the Plan (including termination of the Plan under Section 12, above) shall not affect Awards already granted, and such Awards shall remain in full force and effect as if the Plan had not been amended, suspended or terminated, unless mutually agreed otherwise between the Grantee and the Administrator, which agreement must be in writing and signed by the Grantee and the Company.

14. Reservation of Shares.

(a) The Company, during the term of the Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

15. No Effect on Terms of Employment/Consulting Relationship. The Plan shall not confer upon any Grantee any right with respect to the Grantee's Continuous Service, nor shall it interfere in any way with his or her right or the Company's right to terminate the Grantee's Continuous Service at any time, with or without cause.

16. Unfunded Plan. Unless otherwise determined by the Board or the Committee, the Plan shall be unfunded and shall not create (or construed to create) a trust or a separate fund or funds. The Plan shall not establish any fiduciary relationship between the Company and any Grantee or other person. To the extent any person holds any rights by virtue of an Award granted under the Plan, such right (unless otherwise determined by the Board or the Committee) shall be no greater than the right of an unsecured general creditor of the Company.

17. No Effect on Retirement and Other Benefit Plans. Except as specifically provided in a retirement or other benefit plan of the Company or a Related Entity, Awards shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or a Related Entity, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a "Retirement Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.

18. Stockholder Approval. The grant of Incentive Stock Options under the Plan shall be subject to approval by the stockholders of the Company within twelve (12) months before or after the date the Plan is adopted by the Board excluding Incentive Stock Options issued in substitution for outstanding Incentive Stock Options pursuant to Section 424(a) of the Code. Such stockholder approval shall be obtained in the degree and manner required under Applicable Laws. The Administrator may grant Incentive Stock Options under the Plan prior to approval by the stockholders, but until such approval is obtained, no such Incentive Stock Option shall be exercisable. In the event that stockholder approval is not obtained within the twelve (12) month period provided above, all Incentive Stock Options previously granted under the Plan shall be exercisable as Non-Qualified Stock Options.
