2002 ANNUAL MEETING OF SHAREHOLDERSJUNE 24, 2002

PROXY STATEMENT

DATED MAY 21, 2002

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did you send me this proxy statement?

We sent you this proxy statement and the enclosed proxy card because the Company's board of directors is soliciting your proxy to vote at the 2002 Annual Meeting of Shareholders. This proxy statement summarizes the information you need to know to vote at the annual meeting on June 24, 2002, and at any adjournment or postponement of the meeting, for the purposes indicated in the accompanying Notice of 2002 Annual Meeting of Shareholders. However, you do not need to attend the annual meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card. This proxy statement and the accompanying form of proxy will be mailed to shareholders on or about May 21, 2002. The annual report which accompanies the proxy materials is not to be regarded as proxy soliciting material.

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares at the close of business on April 29, 2002. A total of 3,632,813 shares of common stock can vote at the annual meeting. You get one vote for each share of common stock you own. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote FOR each of the four director nominees; and FOR the ratification of Daszkal Bolton LLP as our independent auditors; and according to their best judgment with regard to any other proposals to be considered at the annual meeting.

What if other matters come up at the annual meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares as they see fit.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving our corporate secretary a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person.

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the annual meeting if holders of a majority of the shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

Who will count the votes?

Florida Atlantic Stock Transfer Company, HNS's transfer agent, will tabulate the returned proxy votes by mail and the independent inspector of the election will tabulate the votes at the meeting. The inspector of elections will treat shares represented by properly signed and returned proxies that reflect abstentions from voting as shares that are present and entitled to vote for purposes of determining the presence of a quorum on all matters.

If your shares are held in the name of a broker or nominee, and you do not tell the broker or nominee how to vote your shares (so-called "broker non-votes"), the nominee can vote them as he sees fit only on matters that are deemed to be routine, and not on any other proposal. If a broker indicates on the proxy that he does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be voted on that matter. However, the inspector of elections will treat "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We may request persons holding shares in their names for others to forward soliciting materials to our principals to obtain authorization for the execution of proxies, and we will reimburse such persons for their expenses in so doing.

None of the actions to be voted upon at the 2002 Annual Meeting of Shareholders shall create either appraisal rights or dissenters' rights under the Florida Business Corporation Act.

You are requested, regardless of the number of shares you hold, to sign the proxy and return it promptly in the enclosed envelope.

PROPOSAL 1: ELECTION OF DIRECTORS

NOMINATIONS. At the annual meeting, we will nominate the persons named in this proxy statement as directors. Although we don't know of any reason why one of these nominees might not be able to serve, the board of directors will propose a substitute nominee if any nominee is not available for election. The proxies will then be voted for such other person as the board of directors may recommend, unless the board of directors reduces the number of directors. All of the nominees are currently members of the board of directors of Health & Nutrition Systems International, Inc.

GENERAL INFORMATION ABOUT THE NOMINEES. Pursuant to our bylaws, our board of directors may be composed of not less than one but no more than nine directors. REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling our oversight responsibilities as the Audit Committee, we have reviewed and discussed the audited financial statements in the annual report with the other members of management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee held four meetings during fiscal year 2001.

Acting as a committee, we reviewed and discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by SAS 61 (codification on Statements on Auditing Standards, AU 380). In addition, we have discussed with the independent auditors the auditors' independence from management and the Company, and have received the written disclosures and the letter from the independent auditors required by the Independence Standards Board No. 1 and have considered the compatibility of nonaudit services with the auditors' independence.

We discussed with the Company's independent auditors the overall scope and plans for their audit. We met with the independent auditors to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, we recommended to the board of directors (and the board has approved) that the audited financial statements be included in the Company's annual report on Form 10-KSB for the year ended December 31, 2001 for filing with the Securities and Exchange Commission. The Committee and the board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors for the year ending December 31, 2002.

- (4) In 2000, Tony D'Amato ("D'Amato") executed and delivered to Chris Tisi ("Tisi") and the Company a Shareholders' Agreement pursuant to which D'Amato granted to Tisi an irrevocable proxy (the "Irrevocable Proxy") authorizing Tisi to vote shares of the Company beneficially owned by D'Amato as of that date and any shares of the Company acquired by D'Amato thereafter. The Irrevocable Proxy had a two-year term. On January 31, 2001, Tisi relinquished his right to vote pursuant to the Irrevocable Proxy with respect to 125,000 shares beneficially owned by D'Amato as of that date. As disclosed in the 13D dated April 29, 2002 filed by Steve Pomerantz ("Pomerantz"), Tisi and D'Amato, on April 24, 2002, D'Amato executed and delivered to Tisi a First Amendment to the Shareholders' Agreement (the "First Amendment") pursuant to which D'Amato extended the term of the

In addition, Tisi and Pomerantz have entered into an oral understanding that each will vote the shares of common stock beneficially owned by him (or, in the case of Tisi, as to which he has voting power) together as a group, but only for the following purposes: (i) in favor of the same person or persons to be nominated and elected to serve on the board of directors to fill any vacancies on the board, if and as such vacancies may arise from time to time (whether such vacancy occurs by removal, resignation or an increase in the size of the board of directors) at any time prior to our 2002 annual meeting of stockholders, or any adjournment thereof, and (ii) in favor of the same person or persons to be nominated and elected as the slate of nominees, and elected, to the board of directors to be voted upon by the shareholders at our 2002 annual meeting of shareholders, or any adjournment thereof. - (6) The share amounts of Bryant, Anthony and Renate Dell'Aquila and Napoleon Paz are based upon the disclosures made by each of them in their respective Schedule 13Ds filed with the Securities and Exchange Commission on or about June 27, 2001. Mr. and Mrs. Dell'Aquila share voting and dispositive power.
- (7) Based upon EAI Partners, Inc.'s receipt of 275,000 shares of our common stock in connection with the settlement of litigation adverse to the Company, we believe that EAI Partners, Inc. is a beneficial owner of this amount.

SECTION 16(A) - BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us under Rule 16a-3(e) of the Securities Exchange Act of 1934 during the fiscal year ended December 31, 2001, we are not aware of any person that failed to file on a timely basis, as disclosed in the aforementioned forms, reports required by Section 16(a) of the Exchange Act during the fiscal year ended December 31, 2001, other than the unintentional failure by our former director, Bill Husa, to timely file one Form 4 reporting one transaction.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

For the years ended December 31, 2001 and December 31, 2000, we sold \$63,881 and \$163,969 respectively of products to KMS-Thin Tab, an entity we believe is controlled by J.C. Herbert Bryant III, a beneficial owner of greater than five percent of our stock. These sales were on terms no more favorable than those given to unaffiliated third parties in arms-length transactions.

On January 12, 2002, we repaid a \$100,000 loan from SunTrust Bank which was collateralized by a certificate of deposit in the principal amount of \$100,000 pledged by Steve Pomerantz, our former Chief Executive Officer and Chairman of the Board. Accordingly, on that date, the collateral was released. On January 15, 2002, we obtained another short-term loan from SunTrust Bank in the amount of \$23,400. This loan is collateralized by a certificate of deposit in the amount of \$23,400 owned by Steve Pomerantz. The loan is due on July 15, 2002 and is payable in monthly installments of \$4,167.

On March 15, 2002, we entered into a factoring agreement with LSQ Funding Group, L.C. ("LSQ"). The term of this agreement is one year, and the maximum amount of receivables we may factor is \$750,000. In connection with the LSQ Factoring Agreement, Chris Tisi, our President, Chief Executive Officer and Interim Chairman of the Board was required to deliver a personal indemnity agreement to LSQ. Mr. Tisi's responsibility under the indemnity agreement only extends to invoices purchased by LSQ throughout the term of his employment.

LEGAL PROCEEDINGS

J.C. HERBERT BRYANT, III AND KMS-THIN TAB 100, INC.

The Company is currently involved in the following litigation adverse to J.C. Herbert Bryant, III ("Bryant") and KMS-Thin Tab 100, Inc. ("KMS"), a company which HNS believes is majority owned and controlled by Bryant. Bryant is a former Chief Financial Officer, Secretary and Treasurer of the Company and was a director of the Company until the third quarter of 1999. In addition, based upon his Schedule 13D filed with the Securities and Exchange Commission on June 28, 2001, Bryant is the beneficial owner of approximately 7.3% of the outstanding common stock of the Company.

In July 2000, the Company sued KMS and Bryant in the United States District Court for the Southern District of Florida for trademark infringement, unfair competition, cybersquatting under the Anti-Cybersquatting Consumer Protection Act of 1999, and breach of his fiduciary duties as a director of the Company. The Company alleges that Bryant, while a director of the Company, registered, in his own name or in the name of his company, KMS, certain domain names which employ the Company's principal trademarks, "CarbCutter(R)" and "Thin Tab." The Company alleges that Bryant's continued use of the domain names and related websites is causing irreparable harm to the Company and to the goodwill of the trademarks. The Company alleges that Bryant breached his duty as an officer and director of the Company by usurping corporate opportunities and corporate property interests by registering the domain names while he was an officer or director and retaining those names for his own use and benefit while an officer and director and thereafter. Bryant counterclaimed alleging, among other things, breach of a distribution agreement with the Company. In December 2000, Bryant's claims (and the breach of duty claim by the Company) were dismissed for lack of subject matter jurisdiction. Discovery and mediation in this case has been completed and the trial is tentatively scheduled for May 2002. The Company has filed its Motion for Summary Judgment seeking injunctive relief and an order of transfer for the domain names.

In December 2000, Bryant caused KMS to sue the Company and three of its officers and directors, Christopher Tisi, Anthony Musso (Mr. Musso has subsequently resigned as Director) and Steven Pomerantz in state court (the Fifteenth Judicial Circuit of Florida in and for Palm Beach County) alleging the same claims that were dismissed by the federal court earlier that month. KMS alleges that HNS breached a distribution agreement with KMS by selling HNS products (both directly and through distributors) in the area south of Orlando, Florida, which, according to KMS, and subject to certain exceptions, is its exclusive distribution territory. KMS also alleges that Tisi, Pomerantz and Musso tortiously interfered with the agreement between HNS and KMS by causing HNS to breach its contract with KMS and that Tisi, Pomerantz and Musso conspired among themselves and with unnamed others to interfere with the agreement. No formal discovery has yet been done on the merits, if any, of KMS's claims. Although the Company believes that Bryant's claims are wholly without merit, at this early state of the litigation, management cannot assess the likely outcome of the litigation or whether the outcome will materially impact the Company's financial condition or results of operations.

The Company intends to vigorously prosecute its action against Bryant and KMS and to vigorously defend the actions against it by Bryant and KMS.

COMPENSATION OF MANAGEMENT

Also in 2000, Mr. Tisi was granted options under our 1998 Stock Option Plan for the purchase of 102,000 shares of common stock. Such options were granted at the then current market value of the shares. The options granted vested immediately on the date of grant.
- (4) Mr. Pomerantz resigned as Chief Executive Officer, Treasurer and Chairman of the Board on December 14, 2001, and Mr. Tisi assumed the position of Chief Executive Officer, Secretary and Interim Chairman of the Board on December 14, 2001. Mr. Tisi has served as President since October 1, 2000.
- (5) Paid to Mr. Pomertanz as severance pursuant to the terms of his Severance Agreement effective as of January 1, 2002, \$18,750 of which was to be paid to third parties in connection with settlement of litigation.

STOCK OPTION GRANTS

No stock options were granted to the Named Officers during fiscal year 2001 under our 1998 Stock Option Plan or otherwise. We do not currently have (and have not previously had) any plan pursuant to which any stock appreciation rights may be granted.

The following table sets forth information relating to the number and value of options held on December 31, 2001 by each of the Named Officers. No options to purchase common stock were exercised by either of our Named Officers during the year ended December 31, 2001.

(2) Options granted under our 1998 Stock Option Plan.

COMPENSATION OF DIRECTORS

During 2001, we paid to each of our non-employee directors meeting fees of \$500 for each board meeting they attended and for each committee meeting they attended (if held separately from a board meeting). Pursuant to the terms of our 1998 Stock Option Plan, grants of stock options for the purchase of our common shares may be made to each of our directors. We did not grant any options to our directors during 2001.

EMPLOYMENT AGREEMENTS AND CHANGE-IN-CONTROL ARRANGEMENTS

Effective January 1, 2002, we entered into a new employment agreement with Chris Tisi, our Chief Executive Officer, President, Secretary and Interim Chairman of the Board. The agreement provides for a base salary of \$140,000 (\$18,750 of which will be used to pay certain amounts owing to third parties in connection with the settlement of litigation) as well as bonuses which are contingent upon increases in revenue over prior periods and net income results. The agreement provides that bonuses will be determined quarterly with 33% of such bonuses to be paid quarterly and the balance to be paid at year-end depending on the maintenance of previously achieved performance levels. The agreement also provides for an annual grant of 50,000 stock options under our 1998 Stock Option Plan. The options will have a four-year term and will be vested 100% on the date of grant. The agreement also provides for the payment of an amount equal to the lesser of (i) \$275,000 or (ii) the maximum "golden parachute" payment permitted to be deducted by us under the federal tax law in the event Mr. Tisi is terminated after a change of control. An amendment to the agreement provides that \$32,578 of Mr. Tisi's salary for 2001 which was not paid to him during 2001 will be paid in 2002 in twelve equal monthly installments.

Effective January 1, 2002, we entered into a severance agreement with Steve Pomerantz, our former Chairman of the Board, Chief Executive Officer, and Treasurer. The agreement provides for a severance payment of \$50,000 to be paid over the next year (\$18,750 of which will be used to pay certain amounts owing to third parties in connection with the settlement of litigation). An amendment to the agreement provides that \$23,443 of Mr. Pomerantz's salary for 2001 which was not paid to him during 2001 will be paid in 2002 in twelve equal monthly installments.

In light of the fact that Mr. Pomerantz has in the past personally guaranteed certain obligations of the Company to third parties (the "Guaranteed Obligations"), the severance agreement provides that on the earlier to occur of (i) a Change in Control, or (ii) December 31, 2002, we will provide substitute collateral for the Guaranteed Obligations in exchange for a release from Mr. Pomerantz from any and all personal liability on the Guaranteed Obligations. If we are unable to provide substitute collateral within the agreed time, we are required to repay the Guaranteed Obligations in full within thirty (30) days thereafter. We are also obligated to repay any outstanding principal and accrued but unpaid interest under a bank loan to us by no later than the earlier to occur of (i) July 1, 2002 and (ii) a Change of Control.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT
OF DASZKAL BOLTON LLP
AS INDEPENDENT AUDITORS

Daszkal Bolton LLP ("DB") were selected by the Board of Directors as our independent auditors effective June 11, 2001. We are submitting our selection of independent auditors for ratification at the Annual Meeting.

A representative of DB is expected to be present at the Annual Meeting and will be available to respond to appropriate questions from shareholders.

Our By-laws do not require that the shareholders ratify the selection of DB as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the shareholders do not ratify the selection, the Board of Directors will reconsider whether or not to retain DB, but may retain such independent auditors. Even if the selection is ratified, the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such a change would be in the best interest of Health & Nutrition Systems International, Inc. and its shareholders.

We retained as our independent auditors the firm DB to replace the firm of Buthner & Kahle, CPAs, P.A. ("B&K") who were dismissed as our auditors, effective July 12, 2000. This decision was approved by the Board of Directors at a meeting held on July 12, 2000. The reports of B&K on our financial statements for the past two years did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the audits of our financial statements for each of the two fiscal years ended December 31, 1998 and December 31, 1999, and in the subsequent unaudited interim period ended March 31, 2000, there were no disagreements with B&K on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of B&K would have caused B&K to make reference to the subject matter in their report. We requested B&K to furnish it a letter addressed to the Commission stating whether it agrees with the above statements. A copy of B&K's letter dated September 6, 2000, has been filed as an exhibit to our Form 8-K dated September 6, 2000.

The Securities and Exchange Commission's final Rule on Auditor Independence requires that the Company make the following disclosures regarding the amount of fees billed by its independent auditors and the nature of the work for which these fees were billed:

Audit Fees: Aggregate fees billed for DB's audit of the Company's annual financial statements for the year ended December 31, 2001 and for its reviews of the financial statements included in the Company's Forms 10-QSB for the fiscal year ended December 31, 2001 totaled \$35,500.

Financial Information Systems Design and Implementation Fees: No fees were incurred or billed for any financial information systems design and implementation services rendered by DB for the fiscal year ended December 31, 2001.

All Other Fees: Aggregate fees billed for all other services rendered by DB for the fiscal year ended December 31, 2001 totaled \$16,809.

The Audit Committee has determined that all services rendered under "All Other Fees" have had no impact on our auditor's independence.

VOTE REQUIRED. Pursuant to the Florida Business Corporation Act, Proposal 2 will be approved if the number of votes cast in favor of the Proposal exceeds the number of votes cast against the Proposal. Abstentions and broker non-votes will have no effect on the outcome.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS
VOTE "FOR" THIS PROPOSAL 2.
