PROXY STATEMENT

General Information

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Air Industries Group, a Nevada corporation (the “Company,” “we,” “our” or “us”), of proxies to be voted at our 2014 Annual Meeting of Stockholders (the “Annual Meeting” or the “Meeting”) and at any adjournment or postponement of the Meeting. The Annual Meeting will take place on Tuesday, August 5, 2014, beginning at 1:00 p.m., Eastern Time, at our offices, 1460 5th Avenue, Bay Shore, New York 11706.

This Proxy Statement, the Notice of Annual Meeting, our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, and accompanying proxy are being mailed to holders of our common stock, par value \$0.001 per share (“Common Stock”), on or about June 20, 2014. Web links and addresses contained in this Proxy Statement are provided for convenience only, and the content on the referenced websites does not constitute a part of this Proxy Statement.

Frequently Asked Questions About the Annual Meeting and Voting

1. Who is entitled to vote at the Annual Meeting?

Holders of Common Stock at the close of business on June 9, 2014 are entitled to receive the Notice of Annual Meeting and to vote their shares at the Meeting. Each share of Common Stock is entitled to one vote on each matter properly brought before the Annual Meeting.

2. How many shares of Common Stock are “outstanding”?

As of June 9, 2014, there were 7,093,245 shares of Common Stock outstanding and entitled to be voted at the Annual Meeting.

3. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., you are the “stockholder of record” of those shares. This Notice of Annual Meeting and Proxy Statement and any accompanying materials have been provided directly to you by Air Industries Group.

If your shares are held through a broker, bank or other holder of record, you hold your shares in “street name” and you are considered the “beneficial owner” of those shares. This Notice of Annual Meeting and Proxy Statement and any accompanying documents have been provided to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or on the Internet. Absent instructions from you, under applicable regulatory requirements, your broker may vote your shares on the ratification of the appointment of our independent registered public accounting firm for fiscal 2014, but may not vote your shares on the election of directors or any of the other proposals to be voted on at the Annual Meeting.

4. How do I vote?

You may vote using any of the following methods:

By mail

Complete, sign and date the accompanying proxy or voting instruction card and return it in the prepaid envelope. If you are a stockholder of record and return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by your proxy card as recommended by the Board of Directors.

By telephone or on the Internet

Air Industries Group has established telephone and Internet voting procedures for stockholders of record. These procedures are designed to authenticate your identity, to allow you to give your voting instructions and to confirm that those instructions have been properly recorded. Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day until 11:59 p.m., Eastern Time, on August 4, 2014.

The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. We therefore recommend that you follow the voting instructions in the materials you receive.

If you vote by telephone or on the Internet, you do not have to return your proxy or voting instruction card.

Telephone. You can vote by calling the toll-free telephone number on your proxy card. Please have your proxy card handy when you call. Easy-to-follow voice prompts will allow you to vote your shares and confirm that your instructions have been properly recorded.

Internet. The website for Internet voting is www.proxyvote.com. Please have your proxy card handy when you go to the website. As with telephone voting, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials.

In person at the Annual Meeting

Stockholders who attend the Annual Meeting may vote in person at the Meeting. You may also be represented by another person at the Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspector of election with your ballot to be able to vote at the Annual Meeting.

Your vote is important. Please complete your proxy card promptly to ensure that your vote is received timely.

5. What can I do if I change my mind after I vote?

If you are a stockholder of record, you can revoke your proxy before it is exercised by:

- giving written notice to the Corporate Secretary of the Company;
- delivering a valid, later-dated proxy, or a later-dated vote by telephone or on the Internet, in a timely manner; or
- voting by ballot at the Annual Meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your broker, bank or other holder of record. All shares for which proxies have been properly submitted and not revoked will be voted at the Annual Meeting.

6. What is a broker non-vote?

If you are a beneficial owner whose shares are held of record by a broker, you must instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a “broker non-vote.” In these cases, the broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required under the rules of the New York Stock Exchange.

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under NYSE rules to vote your shares on the ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm, even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors, in which case a broker non-vote will occur and your shares will not be voted on these matters.

7. What is a quorum for the Annual Meeting?

The presence of the holders of Common Stock representing a majority of the voting power of all shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum.

8. What are the voting requirements to elect the directors and to approve each of the proposals discussed in this Proxy Statement?

Proposal	Vote Required	Broker Discretionary Voting Allowed
Election of Directors	Plurality of Votes Cast	No
Ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm	Majority of Votes Cast	Yes

If you abstain from voting or there is a broker non-vote on any matter, your abstention or the broker non-vote will not affect the outcome of such vote, because abstentions and broker non-votes are not considered to be votes cast.

Election of Directors

Directors are elected by a plurality of the votes cast at the Annual Meeting. This means that the seven persons receiving the highest number of affirmative "for" votes at the Annual Meeting will be elected. Abstentions and broker non-votes are not counted as votes “for” or “against” a director nominee.

Ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm

The votes cast "for" must exceed the votes cast "against" to approve the ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm. Abstentions are not counted as votes "for" or "against" this proposal.

9. How will my shares be voted at the Annual Meeting?

At the Meeting, the Board of Directors (the persons named in the proxy card or, if applicable, their substitutes) will vote your shares as you instruct. If you sign your proxy card and return it without indicating how you would like to vote your shares, your shares will be voted as the Board of Directors recommends, which is:

- **FOR** the election of each of the director nominees named in this Proxy Statement; and
- **FOR** the ratification of the appointment of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

10. Could other matters be decided at the Annual Meeting?

As of the date of this Proxy Statement, we did not know of any matters to be presented at the Annual Meeting, other than those referred to in this Proxy Statement.

If you return your signed and completed proxy card or vote by telephone or on the Internet and other matters are properly presented at the Annual Meeting for consideration, the individuals named as proxies on the enclosed proxy card will have the discretion to vote on your behalf.

11. Who will pay for the cost of the Annual Meeting and this proxy solicitation?

The Company will pay the costs associated with the Annual Meeting and solicitation of proxies, including the costs of mailing the proxy materials. In addition to solicitation by mail, our directors, officers and regular employees (who will not be specifically compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy materials to their principals, and we will reimburse them for their expenses. We have retained Broadridge Financial Solutions to assist in the mailing, collection and administration of proxies. We have not retained a soliciting agent to assist in the solicitation of proxies.

MATTERS TO COME BEFORE THE ANNUAL MEETING PROPOSAL ONE:

Election of Directors

Nominees

At the Annual Meeting, seven directors, who have been nominated by the Nominating Committee of the Board of Directors, are to be elected, each to hold office (subject to our By-Laws) until the next annual meeting and until his successor has been elected and qualified. All of the nominees for director currently serve as directors.

Each nominee has consented to being named as a nominee in this proxy statement and to serve if elected. If any nominee listed in the table below should become unavailable for any reason, which the Board of Directors does not anticipate, the proxy will be voted for any substitute nominee or nominees who may be selected by the Board of Directors prior to or at the Annual Meeting, or, if no substitute is selected by the Board of Directors prior to or at the Annual Meeting, for a motion to reduce the membership of the Board of Directors to the number of nominees available. The seven nominees receiving the highest number of affirmative "for" votes at the Annual Meeting will be elected. The information concerning the nominees and their security holdings has been furnished by them to us.

Our directors are nominated by our Board of Directors, based on the recommendations of the Nominating Committee. Information Concerning the Board of Directors

Board Leadership Structure and Risk Oversight

The Board does not have a policy requiring separation of the roles of Chief Executive Officer and Chairman of the Board. Nevertheless, Michael N. Taglich is Chairman of the Board and Peter D. Rettaliata is Chief Executive Officer of the Company.

The Board has determined that a non-employee director serving as Chairman is in the best interests of our stockholders at this time. This structure ensures a greater role of non-employee directors in the active oversight of our business, including risk management oversight, and in setting agendas and establishing Board priorities and procedures. This structure also allows the Chief Executive Officer to focus to a greater extent on the management of our day-to-day operations.

The Board of Directors as a whole is responsible for consideration and oversight of risks facing the Company, and is responsible for ensuring that material risks are identified and managed appropriately. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including reports on noteworthy risk-management issues. Members of the Company's senior management team regularly report to the full Board about their areas of responsibility and a component of these reports is risk within the area of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting on risks is conducted as needed or as requested by the Board or one of its committees.

Board Independence

Our Board of Directors has determined that Robert Schroeder, Seymour G. Siegel, David Buonanno and Michael Brand are "independent directors" within the meaning of NYSE MKT Rule 803A(2).

Board Meetings; Committees and Membership

The Board of Directors held three meetings during the fiscal year ended December 31, 2013 ("fiscal 2013"). During fiscal 2013, each of the directors then in office attended more than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings of all committees of the Board on which such director served.

We maintain the following committees of the Board of Directors: the Audit Committee, the Compensation Committee and the Nominating Committee. Each committee is comprised entirely of directors who are "independent" within the meaning of NYSE MKT Rule 803A(2). Each committee acts pursuant to a separate written charter, and each such charter has been adopted and approved by the Board of Directors. Copies of the committee charters are available on our website at airindustriestgroup.com under the heading "Investor Relations."

Audit Committee. Messrs. Siegel, Schroeder and Buonanno are members of the Audit Committee. Mr. Siegel serves as Chairman of the Audit Committee and also qualifies as an "audit committee financial expert," as that term is defined in Item 407(d)(5)(ii) of Regulation S-K. The Board has determined that each member of our Audit Committee meets the financial literacy requirements under the Sarbanes-Oxley Act and SEC rules and the independence requirements under NYSE MKT Rule 803A(2). The Audit Committee held four meetings during fiscal 2013.

Our Audit Committee is responsible for preparing reports, statements and charters required by the federal securities laws, as well as:

- overseeing and monitoring the integrity of our consolidated financial statements, our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters, and our internal accounting and financial controls;
- preparing the report that SEC rules require be included in our annual proxy statement;
- overseeing and monitoring our independent registered public accounting firm's qualifications, independence and performance;
- providing the Board with the results of its monitoring and its recommendations; and
- providing to the Board additional information and materials as it deems necessary to make the Board aware of significant financial matters that require the attention of the Board.

Compensation Committee. Our Compensation Committee is composed of Messrs. Siegel, Buonanno and Brand. The Compensation Committee is responsible for:

- establishing the Company's general compensation policy, in consultation with the Company's senior management, and overseeing the development and implementation of compensation programs.
- reviewing and approving corporate goals and objectives relevant to the compensation of the CEO, and evaluating the performance of the CEO at least annually in light of those goals and objectives and communicating the results of such evaluation to the CEO and the Board, and has the sole authority to determine the CEO's compensation level based on this evaluation, subject to ratification by the independent directors on the Board. In determining the incentive component of CEO compensation, the Committee will consider, among other factors, the Company's performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies, the awards given to the CEO in past years, and such other factors as the Committee may determine to be appropriate.

- reviewing and approving the compensation of all other executive officers of the Company, such other managers as may be directed by the Board, and the directors of the Company.
- overseeing the Board's benefit and equity compensation plans, overseeing the activities of the individuals and committees responsible for administering these plans, and discharging any responsibilities imposed on the Committee by any of these plans.
- approving issuances under, or any material amendments to, any stock option or other similar plan pursuant to which a person not previously an employee or director of the Company, as an inducement material to the individual's entering into employment with the Company, will acquire stock or options.
- in consultation with management, overseeing regulatory compliance with respect to compensation matters, including overseeing the Company's policies on structuring compensation programs to preserve related tax objectives.
- reviewing and approving any severance or similar termination payments proposed to be made to any current or former officer of the Company.
- preparing an annual report on executive compensation for inclusion in our proxy statement for the election of directors, if required under the applicable SEC rules.

The Compensation Committee held one meeting during fiscal 2013.

Nominating Committee. Our Nominating Committee was organized in April 2013 and is composed of Messrs. Schroeder, Siegel and Brand. The purpose of the Nominating Committee is to seek and nominate qualified candidates for election or appointment to our Board of Directors. The Nominating Committee will seek candidates for election and appointment that possess the integrity, leadership skills and competency required to direct and oversee the Company's management in the best interests of its stockholders, customers, employees, communities it serves and other affected parties. The Nominating Committee held one meeting during fiscal 2013.

A candidate must be willing to regularly attend Committee and Board of Directors meetings, to develop a strong understanding of the Company, its businesses and its requirements, to contribute his or her time and knowledge to the Company and to be prepared to exercise his or her duties with skill and care. In addition, each candidate should have an understanding of all corporate governance concepts and the legal duties of a director of a public company.

Stockholders may contact the Nominating Committee Chairman, the Chairman of the Board or the Corporate Secretary in writing when proposing a nominee. This correspondence should include a detailed description of the proposed nominee's qualifications and a method to contact that nominee if the Nominating Committee so chooses.

Stockholder Communications

Any stockholder who desires to contact any of our Directors can write to Air Industries Group, 1479 North Clinton Avenue, Bay Shore, NY 11706 Attention: Stockholder Relations. Your letter should indicate that you are an Air Industries Group stockholder. Depending on the subject matter, our stockholder relations personnel will:

- forward the communication to the Director(s) to whom it is addressed;
- forward the communication to the appropriate management personnel;
- attempt to handle the inquiry directly, for example where it is a request for information about the Company, or it is a stock-related matter; or
- not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic.

Director Compensation

Employee directors do not receive any compensation for their services as directors. Non-employee directors are entitled to receive compensation for serving as directors and may receive option grants from our company. The compensation committee will assist the directors in reviewing and approving the compensation structure for our directors. In addition, non-employee directors are entitled to be reimbursed for their actual travel expenses for each Board of Directors meeting attended.

The following table sets forth certain information regarding the compensation paid to our directors during the fiscal year ended December 31, 2013.

2013 Equity Incentive Plan

Our Board of Directors adopted the 2013 Equity Incentive Plan, (“the “2013 Plan”), in June 2013, and the plan was approved by the Company’s stockholders on July 2013. The 2013 Plan is virtually identical to and replaced the 2010 Equity Incentive Plan which was adopted in July of 2010. The Company reserved 600,000 shares of its Common Stock for various issuances. The 2013 Plan permits the Company to grant non-qualified and incentive stock options to employees, directors and consultants. The Plan is administered by the Compensation Committee of the Board and has a term of ten years from the date it was adopted by the Board.

We adopted the Plan to provide a means by which employees, directors, and consultants of our Company and those of our subsidiaries and other designated affiliates, which we refer to together as our affiliates, may be given an opportunity to purchase our Common Stock, to assist in retaining the services of such persons, to secure and retain the services of persons capable of filling such positions, and to provide incentives for such persons to exert maximum efforts for our success and the success of our affiliates.

Transactions with Related Persons

Under Item 404 of SEC Regulation S-K, a related person transaction is any actual or proposed transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, including those involving indebtedness not in the ordinary course of business, since the beginning of our last fiscal year, to which we or our subsidiaries were or are a party, or in which we or our subsidiaries were or are a participant, in which the amount involved exceeded or exceeds \$120,000 and in which any of our directors, nominees for director, executive officers, beneficial owners of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

The Audit Committee is charged with responsibility for reviewing, approving and overseeing any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K), including the propriety and ethical implications of any such transactions, as reported or disclosed to the Committee by the independent auditors, employees, officers, members of the Board or otherwise.

In connection with the private placement of our common stock in connection with the acquisition of Nassau Tool Works, Inc., we paid Taglich Brothers, Inc., as placement agent, a commission of 8.0% or \$569,208. In addition, we agreed to issue to Taglich Brothers, Inc., 12,000 shares of common stock of the Company as a non-accountable expense allowance and five-year warrants to purchase 118,585 shares of Common Stock, 10.0% of the number of shares sold in the Offering, at an exercise price of \$6.30.

On January 1, 2014, we entered into a Capital Market Advisory Agreement with Taglich Brothers pursuant to which Taglich Brothers provides us, on a non-exclusive basis, business advisory services for a monthly fee of \$7,000, a warrant to purchase 10,000 shares of our common stock at an exercise price of \$8.72 per share, vesting quarterly over a one-year period and any reasonable out of pocket expenses.

In connection with our public offering of 1,170,000 shares of common stock completed on June 3, 2014, we paid Taglich Brothers, which acted as placement agent for the offering, \$842,400, representing 8% of the gross proceeds of the offering as a sales commission, plus an additional \$75,000 in reimbursement of expenses, including counsel fees. In addition, we granted Taglich Brothers placement agent warrants to purchase 46,800 shares of common stock, representing 4% of the shares sold in the offering as additional compensation. The warrants are exercisable for cash or on a cashless basis at a per share exercise price equal to \$11.25, commencing May 29, 2015 and expiring May 28, 2019.

Code of Ethics

We have adopted a written code of ethics that applies to our principal executive officers, senior financial officers and persons performing similar functions. A copy of our code of ethics is available on our website at airindustriesgroup.com under the heading "Investor Relations." Upon written request to our corporate secretary, we will provide you with a copy of our code of ethics, without cost.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and beneficial owners of more than 10% of our common stock to file with the SEC reports of their holdings of, and transactions in, our common stock. Based solely upon our review of copies of such reports and written representations from reporting persons that were provided to us, we believe that our officers, directors and 10% stockholders complied with these reporting requirements with respect to 2013, except that that the statement of changes in beneficial ownership on Form 4 filed by Michael N. Taglich, Robert F. Taglich and Robert Schroeder reporting the grant of stock options was filed 10 days late in the case of Messrs. Taglich and 9 days late in the case of Mr. Schroeder.

Audit Committee Report

Pursuant to rules adopted by the SEC designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of our Board of Directors submits the following report:

Audit Committee Report to Stockholders

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors, each of whom is independent within the meaning of NYSE MKT 803A(2). The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal controls over financial reporting, disclosure controls and procedures and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with Public Company Accounting Oversight Board (PCAOB) standards and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee has established a mechanism to receive, retain and process complaints on auditing, accounting and internal control issues, including the confidential, anonymous submission by employees, vendors, customers and others of concerns on questionable accounting and auditing matters.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2013 audited consolidated financial statements. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standards Update No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the PCAOB in Rule 3200T. In addition, the Audit Committee received the written disclosures from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed the independent registered public accounting firm's independence from the Company and its management.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for fiscal 2013 filed with the SEC.

The Audit Committee also has appointed, subject to stockholder ratification, Rotenberg Meril Solomon Bertiger & Guttilla, P.C as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014.

Respectfully submitted,

THE AUDIT COMMITTEE

Seymour G. Siegel, Chairman
Robert C. Schroeder
David J. Buonanno

The Report of the Audit Committee should not be deemed filed or incorporated by reference into any other filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates the Report of the Audit Committee therein by reference.

PROPOSAL TWO:

Independent Registered Public Accounting Firm

The Audit Committee has appointed Rotenberg Meril Solomon Bertiger & Guttilla, P.C. to serve as our independent registered public accounting firm and to audit our consolidated financial statements. Rotenberg Meril Solomon Bertiger & Guttilla, P.C. does not expect to have a representative present at the meeting of stockholders.

We are asking our stockholders to ratify the selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm for the fiscal year ending December 31, 2014. Although ratification is not required by our By-laws or otherwise, the Board is submitting the selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. to our stockholders for ratification because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate practice. In the event that our stockholders fail to ratify the selection, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and the best interests of our stockholders.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee pre-approves all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

Principal Accountant Fees and Services

As required by our Audit Committee charter, our Audit Committee pre-approved the engagement of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. for all audit and permissible non-audit services. The Audit Committee annually reviews the audit and permissible non-audit services performed by our principal accounting firm and reviews and approves the fees charged by our principal accounting firm. The Audit Committee has considered the role of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. in providing tax and audit services and other permissible non-audit services to us and has concluded that the provision of such services, if any, was compatible with the maintenance of such firm's independence in the conduct of its auditing functions.

During fiscal year 2013 and fiscal year 2012, the aggregate fees which we paid to or were billed by Rotenberg Meril Solomon Bertiger & Guttilla, P.C. for professional services were as follows:

	Year Ended December 31,	
	2013	2012
Audit Fees (1)	\$ 240,000	\$ 281,630
Audit Related Fees (2)	49,602	41,411
Tax Fees (3)	43,149	47,295
	<u>\$ 332,751</u>	<u>\$ 370,336</u>

(1) Fees for services to perform an audit or review in accordance with generally accepted auditing standards and services that generally only our independent registered public accounting firm can reasonably provide, such as the audit of our consolidated financial statements, the review of the financial statements included in our quarterly reports and for services that are normally provided by independent registered public accounting firms in connection with statutory and regulatory engagements.

(2) Fees for assurance and related services that are traditionally performed by our independent registered public accounting firm, such as audit attest services not required by statute or regulation, and consultation concerning financial accounting and reporting standards. The fees in 2012 are for services rendered relating to the filing of our Form 10.

(3) Fees for tax compliance. Tax compliance generally involves preparation of original and amended tax returns, claims for refunds and tax payment planning services.

The proposal to ratify the Audit Committee's selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm will require the affirmative vote of the holders of a majority of the shares of Common Stock cast in person or by proxy.
