#### PROPOSAL ONE ELECTION OF DIRECTORS

At the Annual Meeting, we will elect our new Board of Directors which will consist of our three current directors to hold office until the next annual meeting of our shareholders or until their respective successors are elected and qualified. It is intended that the proxies will be voted for the nominees set forth herein. The Board has unanimously approved the following three nominees, all of whom are members of the current Board: James A. Brown, Steven Pomerantz and Theodore Alflen as our directors.

If any nominees decline to serve or become unavailable for any reason, or if any vacancy occurs before the election (although the Company knows of no reason that this would occur), the proxies may be voted for such substitute nominees as the Company may designate.

The following sets forth certain information regarding each nominee for election as director of the Company:

JAMES A. BROWN has been our Chief Executive Officer and Secretary since September 2004, Chairman of the Board since May 2003, and Chairman of the Audit Committee since August 2003. Mr. Brown was the Chief Operating Officer of Private Investor Reserves Corp., a financial services firm, from May 2000 through 2004. From December 1998 to April 2000, Mr. Brown was the co-founder and Chief Executive Officer of A.S. Partners.com, Inc., an internet application service provider.

STEVEN POMERANTZ has been our director since 1994. He has been the President of TDR Safety Products, a touch free, self-serve car wash, since 2002. From November 2000 to December 2001, Mr. Pomerantz was the Chairman of our Board and Treasurer, and he was our Chief Executive Officer from March 1998 until December 2001. He was our President from March 1998 until November 2000. From 1995 to March 1998, Mr. Pomerantz was our Vice President of Finance and Chief Operating Officer.

TED ALFLEN has been our director since October 2000. In March 1991, Mr. Alflen founded TCCD International Inc. and served as President from 1991 to present. TCCD manufactures and markets crystal deodorants. TCCD recently acquired Real Natural Products and the Moistic brand of all natural lip balms. Mr. Alflen has been in sales and marketing for over 29 years.

## PROPOSAL TWO

### AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK AND CREATE BLANK CHECK PREFERRED STOCK

The Company's articles of incorporation authorizes the maximum number of shares outstanding at any time shall be 30,000,000 shares of common stock, par value \$0.001. The Company desires to increase the maximum number of shares outstanding at any time to 150,000,000 shares of common stock, par value \$0.001. In addition, the Company intends to create 10,000,000 shares of blank check preferred stock.

The general purpose and effect of the amendment to the Company's Articles of Incorporation is to increase the maximum authorized shares of the Company's common stock and create the blank check preferred stock. The Board of Directors believes that it is prudent to have the increase of the maximum authorized shares of the Company's common stock and creation of the blank check preferred stock available for general corporate purposes, including acquisitions, equity financings, stock dividends, stock splits or other recapitalizations, and grants of stock options. The Company currently has no arrangements or understandings for the issuance of additional shares of Common Stock, although opportunities for acquisitions and equity financings could arise at any time. If the Board of Directors deems it to be in the best interests of the Company and the Stockholders to issue additional shares of Common Stock in the future from authorized shares, the Board of Directors generally will not seek further authorization by vote of the Stockholders, unless such authorization is otherwise required by law or regulations.
